SUE GRAFTON
COUNTY CLERK, PANOLA COUNTY, TEXAS
Sue Grafton DEPUTY

On this the 10th day of July A.D.2000, the Commissioners' Court of Panola County, Texas met in a Regular Meeting of the Court at 9:00 o'clock a.m. in the Commissioners' Courtroom of said County with the following members of the Court present:

John Cordray	County Judge
Ronnie LaGrone	Commissioner, Precinct No. 1
Douglas M. Cotton	Commissioner, Precinct No. 2
Joe Harris	Commissioner, Precinct No. 3
Jimmy Davis	Commissioner, Precinct No. 4

with none absent, constituting a quorum of the Court. Also attending were Mickey Dorman, Deputy County Clerk and Robin Pierce, Floating Secretary. Attached to and made a part of these Minutes is a list of other attendees and the office or organization that each represents. The following proceedings were held at this meeting:

OPEN MEETING:

1. CITIZEN COMMENTS:

Mary Kay Thomas of Gary Traylor & Associates was present and addressed the Court regarding TCDP applications. She elected to speak at this place in the meeting since she had not formally requested a spot on the Agenda.

Since there are no local groups requesting sponsorship for a grant this year, she suggested that the County might be interested in sponsoring an application for a housing rehabilitation grant in the amount of \$250,000.00. This would cost the County no money. Their fee for handling the grant, if received, would be \$25,000.00 which would come from the grant. That would leave \$225,000.00 to be used for refurbishing homes in need of repair. The County could conceivably limit participation in this to elderly, disabled or any other type of criterion the Court might deem appropriate.

The City does this only for residents of the City, but there have apparently been questions from residents of outlying areas of the County who have expressed an interest in this program.

2. COMMISSIONERS' REPORTS:

Commissioner Davis reported that he is trying to get the consensus of the Court regarding the job description for replacing Mr. Kelly Ramsey, the late Maintenance Supervisor for the Courthouse. He will be trying to get an ad for applications to be taken in the paper as soon as possible and try to have someone ready to assume those duties by September 1, 2000.

3. COUNTY JUDGE'S REPORT:

Judge Cordray reported that he had received correspondence from the military facilities man in Austin regarding the National Guard Armory in Carthage. The agent is requesting a meeting on that matter.

He also thanked the other members of the Court for their help in covering for him during his absence for medical reasons.

4. CONSENT ITEMS:

The Panola County Commissioners' Court offers no objection to the location on the right-of-way of your proposed 1" line as shown by accompanying drawings and notice except as noted below:

It is expressly understood that the County Commissioners' Court does not purpose hereby, to grant any right, claim, title or easement in or upon this county road. It is further understood that in the future should for any reason the county need to work, improve, relocate, widen, increase, add to, or in any manner change the structure of this right-of-way, any required relocation of said lines shall be at the sole expense of owner.

All work on the county right-of-way shall be performed in accordance with the county instructions. The installations shall not damage any part of the road and adequate provisions must be made to cause minimum inconvenience to traffic and adjacent owners. Special specifications for placing this line are as follows:

1. All lines are to be installed a minimum of 36 inches below the flow line of the adjacent drainage or barrow ditch.
2. All excavation within the right-of-way and not under surfacing shall be backfilled by tamping in 6 inch horizontal layers. All surplus material shall be removed from the right-of-way and the excavation finished flush with surrounding natural ground.
3. Lines crossing under surfaced roads and under surfacing cross roads within the right-of-way shall be placed by boring. Boring shall extend from crown line to crown line. Gravity from sewer lines under roadways shall be cast iron pipe.
4. All lines, where practicable, shall be located to cross roadbed at approximately right angles thereto. No lines are to be installed under or within 50 feet of either end of any bridge. No lines shall be placed in any culvert or within 10 feet of the closest point of same.

5. Parallel line will be installed as near the right-of-way lines as is possible and no parallel line will be installed in the roadbed or between the drainage ditch and the roadbed without special permission of the Panola County Commissioners' Court.
6. Operations along roadbeds shall be performed in such manner that all excavated material be kept off the pavement at all times, as well as all operating equipment and materials. No equipment or installation procedures will be used which will damage any road surface or structures. The cost of any repairs to road surface, roadbed, structures or other right-of-way features as a direct result of this installation will be borne by the owner of this line.
7. Barricades, warning signs, lights, and flag man(men) when necessary shall be provided by the contractor or owner. One-half (1/2) of the traveled portion of the road must be open at all times.

To the Honorable Members of
The Commissioners' Court
Of Panola County, Texas

RE: Panola General Hospital Report No. 2000-3

Gentlemen:

This is the third report we have submitted to the Court since the scope of our activities changed in October 1999.

During the month of May, collections processed in our office on the accounts maintained on our system totaled \$598.45. The Panola County Treasurer continues to receive a few payments on accounts that have been turned over to Mr. Larry Fields or the Northeast Texas Credit Bureau. We record these payments in our system and inform Mr. Fields and Ms. Shirley Keen of these receipts. The attached schedule shows this collection activity for each month and on a cumulative basis.

As of June 2, only 17 individuals who previously accepted the one-half settlement offer still have outstanding balances. These 17 owe the County a balance of \$8,179.66, and continue to make payments. However, only one individual made a payment in May totaling \$15.00, compared to six individuals making payments in April.

We also send statements to those individuals who pay regularly but never responded to the settlement offer. On June 2, 51 statements were generated on these accounts, reflecting a balance owed of \$153,607.43 (not reduced by half). Twenty nine individuals made payments totaling \$583.45 in May.

In total, 68 statements were mailed in June reflecting balances due of \$161,787.09.

The attached schedule shows the collection activity since November. If you have any questions about this report, please don't hesitate to call.

Sincerely,

Robinson & Williams

GRAND TOTAL GENERAL FUND AMENDMENT

234602-

We hereby amend the Panola County Budget for the Fiscal Year 2000 as set forth above according to the procedures outlined under Vernons Texas Codes Annotated Local Government Code, Chapter 111, Subchapter A Section 111.010. The 2000 Panola County Budget is hereby so amended and we find and declare that a grave emergency and public necessity exists to meet unusual and unforeseen conditions which could not, by reasonably diligent thought and attention, have been included in the original 2000 budget as adopted. A copy of this Order is to be filed with the County Clerk and Attached to the Budget originally adopted for 2000.

Signed on this 10 day of July, 2000

John Cordray
County Judge

Ronnie La Hone
Commissioner Precinct # 1

D.M. Gatto
Commissioner Precinct # 2

Joe Harris
Commissioner Precinct # 3

Jimmy E. Savi
Commissioner Precinct # 4

Passed and approved by the Commissioners Court of Panola County on the 10 day of July, 2000 as the same appears on file in the office of the County Clerk of Panola County.

Sam Arafton
County Clerk

**FIRST AMENDMENT TO AGREEMENT FOR THE MANAGEMENT AND OPERATION
FOR SOLID WASTE TRANSFER STATION BETWEEN
THE CITY OF CARTHAGE, TEXAS AND PANOLA COUNTY, TEXAS**

Whereas, the City of Carthage, Texas and Panola County, Texas agree the Panola County Resource Recovery Facility should be permitted for a Solid Waste Transfer Station pursuant to the Texas Natural Resource Conservation Commission (TNRCC) rules and regulations;

Whereas, the Commissioners' Court of Panola County, Texas and the City Commission of the City of Carthage, Texas do hereby deem it to be in the best interest of the citizens of Panola County and the City of Carthage to make this First Amendment to the agreement based upon the proposed Olympic Waste Services Agreement;

Whereas, the Commissioners' Court of Panola County, Texas and the City Commission of the City of Carthage, Texas do hereby enter into this First Amendment to the June 12, 2000 Agreement as follows:

The proposed Olympic Waste Services Agreement provides for an annual Consumer Price Index (CPI) cost factor; Panola County and the City of Carthage agree to pay this CPI cost factor on a equal basis of one-half (1/2) to each governmental entity.

No other changes nor amendments are made.

Signed this 10 day of July, 2000.

CARSON C. JONES,
Mayor of the City of Carthage, Texas

JOHN W. CORDRAY,
County Judge of Panola County, Texas

ORDER 2000-09

WHEREAS, it is necessary from time to time for the Juvenile Probation Department to secure residential, detention, and treatment placement for various juvenile offenders; and

WHEREAS, pursuant to Texas Local Government Code, Section 262.024(a)(4), the Commissioners' Court of Panola County, Texas may grant an exemption from the requirements of competitive bidding if such services are of a professional nature; and

WHEREAS, the Commissioners' Court of Panola County, Texas finds that Juvenile Residential, Detention, and Treatment Placement Services constitute "professional services" pursuant to Texas Local Government Code, Section 262.024(a)(4) and, thus, should be exempt from competitive bidding;

SUBJECT: IMPOSITION OF EXTRA FEES

Chapter 502 of the Transportation Code, relating to the registration of vehicles, provides counties the option of imposing, in addition to the registration fee, two extra fees.

The provisions of Section 502.172 provide for a county road and bridge fee in an amount that does not exceed \$10.00 for each vehicle registered in the county. An extra fee in the amount not to exceed \$1.50 for each vehicle registered in the county is available under the provisions of Section 502.173 to fund a school crossing guard program. However, vehicles registered with Machinery and Farm Trailer License Plates are exempt from both provisions and all-terrain vehicles are exempt from the County Road and Bridge Fee.

The amounts of both optional fees are set by a Commissioners Court. Counties are statutorily required to notify the department of their intent by Commissioners Court Order if you change or add fees. The notification deadline for the road and bridge fee is September 1st of each year. The deadline for notification of the school crossing guard fee is September 10th of each year.

Please complete the attachment on the imposition of extra fees for calendar year 2001. If your response indicates a change in fee or adds a fee, and requires a County Commissioners Court Order, we request that the **original court order** be mailed to us no later than the date indicated. We have also included a fee chart, which indicates what extra fee(s) your county currently collects. If not changing or adding a fee, you need only complete the attached document and return.

A postage paid self-addressed envelope is enclosed for your convenience. Any questions you may have regarding this matter may be directed to David Linzey, Director of Headquarter Operations, at (512) 465-7719 or Judy Thorp, Customer Information Services Branch Manager at (512) 465-7620. Thank you very much for your timely response.

**IMPOSITION OF EXTRA FEES
CALENDAR YEAR 2001**

We respectfully request that you indicate below your county's intentions for collection of these fees for calendar year 2001 (January 1 through December 31, 2001). These fees will first appear on February renewals. (Refer to Motor Vehicle Information Circular No. 1-85).

For calendar year 2001, PANOLA County will:

1. Retain the current fees of \$ 0- (no court order required).
2. Discontinue the County Road and Bridge Fee of _____.
(Court order required prior to September 1st)
3. Impose a new County Road and Bridge Fee of _____.
(Court order required prior to September 1st)
4. Discontinue the Child Safety Fund Fee of _____.
(Court order required prior to September 10th) and/or,
5. Impose a new Child Safety Fund Fee of _____.
(Court order required prior to September 10th)

If you indicate that action will be taken as stated in 2, 3, 4, and/or 5 above, please submit a County Commissioner's Court Order to that effect prior to the applicable statutory date of September 1st (County Road and Bridge Fee) or September 10th (Child Safety Fund Fee).

Please return your County's intentions so designed for calendar year 2001 in the enclosed postage-paid self-addressed envelope as soon as possible. A faxed response (512/465-3034) will also be acceptable. However, if such response requires a County Commissioners Court Order, we request that the original Order be mailed to us no later than the date indicated above.

PASSENGER CARS

The annual license fee for a passenger car, city bus, or private bus shall be based on the manufacturer's model year or weight in pounds, as the case might be, of the vehicle as follows:

MODEL YEAR OR WEIGHT IN POUNDS	FEE
94 AND OLDER MODELS	\$40.80
95, 96 & 97 MODELS	\$50.80
98 AND NEWER MODELS	\$58.80
6,001 LBS AND OVER (irrespective of model year)	\$25.00 PLUS 60c CWT PLUS 30c

The weight of any passenger car for purposes of registration shall be the weight generally accepted as its correct shipping weight plus one hundred pounds.

"Passenger Car" as defined by law means any motor vehicle other than a motorcycle, or a bus transporting persons for compensation or hire, designed or used primarily for the transportation of persons.

MOTORCYCLES AND MOPEDS

Fee to be Collected for the Registration of Motorcycles and Mopeds - Annual Fee \$30.30

LIGHT TRUCKS

MANUFACTURER'S RATED CARRYING CAPACITY OF ONE TON OR LESS

The annual license fee for the registration of a light truck with a manufacturer's rated carrying capacity of one ton or less shall be based upon the gross weight of the vehicle as outlined in the chart below.

The term "Gross Weight" is the actual weight of the vehicle fully equipped with body and other equipment, as certified by any official public Weigher or any License and Weight Inspector of the Department of Public Safety, plus its net carrying capacity. "Net carrying capacity" of any vehicle shall be the weight of the heaviest net load to be carried on the vehicle being registered, provided said net carrying capacity shall in no case be less than the manufacturer's rated carrying capacity.

Dear Judge Cordray:

This is to advise you that the term of your appointee, Mr. Sidney Burns, to the Board of Trustees of Sabine Valley Center will expire on August 31, 2000.

Mr. Burns has expressed his willingness to serve on the Board for another two-year term. His knowledge, businesslike approach and dedication to the human service issues that are presented before the Board for consideration are invaluable and effective.

We are requesting that you recommend Mr. Burns to the Commissioners' Court to serve another two-year term – September 1, 2000 – August 31, 2002. Please furnish the Board of Trustee office with notification of this action in the self addressed envelope we have provided for your convenience.

Thank you for your consideration to this request.

Sincerely yours,

Inman White

TEXAS COUNTIES STORM WATER COALITION
In Partnership With The Texas Association of Counties

MEMORANDUM

TO: All County Judges and Commissioners
FROM: Texas Counties Storm Water Coalition
DATE: June 23, 2000
RE: Storm Water Coalition Activities

As many of you are aware in 1998 after reviewing the Environmental Protection Agency's Proposed Storm Water Phase II rules the Texas Counties Storm Water Coalition was formed in an effort to oppose numerous provisions in the proposed rule. While disagreeing with the overall method on which EPA is going to administer the program, the coalition narrowed the number of concerns down to five. Those five issues are as follows:

1. Routine road maintenance on a county road was considered a construction activity and would require a permit on activities above one acre.
2. Liability on behalf of the county if they decided to co-permit with another governmental entity.
3. Requirements in the rule which required counties to enact ordinances whereby under state law Texas counties lack the authority to issue and enforce ordinances.
4. Drainage ditches in the urbanized area would be considered small municipal separate sewer systems and would be required to obtain a permit for those road side ditches.
5. The construction site threshold was lowered from five acres to one acre.

After several visits to Washington which included meetings with the EPA, congressional members, and congressional committee staff members we were pleased to see several concessions made by the EPA in the final rule. The largest and most important concession, was the exclusion of routine road maintenance from being considered a construction activity. If this provision had remained in the final rule every Texas County would be impacted by the final rule. Concessions were also made with the liability issue as well as with the ordinance issue. Unfortunately the final rule did not address our concerns with drainage ditches being considered MS4's nor did the final rule raise the threshold for construction activities back to five acres.

Senator Kay Bailey Hutchison and Congressman Spencer Bacus have filed legislation (S. 1706 & HR 3294) targeting the five areas of concern. Since the final rule addressed three of the five, two things remain controversial in the legislation one is the exclusion of drainage ditches and two, is raising the construction threshold from one to five acres. Senator Hutchison's office is currently negotiating with other members of the Senate about the provisions in S. 1706

In an effort to preserve the concessions made by EPA in the final rule and to possibly obtain other concessions, the coalition instructed the Bickerstaff law firm to file suit in the federal appeals court. Considering, that should the environmental groups file suit the coalition will have a seat at the negotiation table and will be in a better position to discuss a final settlement. The Environmental Defense Council filed suit in January 2000 and now the National Resources Defense Council (NRDC) has filed a motion to intervene in the lawsuit and is expected to be added as a party in the lawsuit. NRDC is the major national environmental group which routinely sues EPA.

The coalition has also begun discussions with the Texas Natural Resource Conservation Commission concerning the implementation of the Phase II program. The coalition has met personally with two of the TNRCC commissioners and explained the importance of including the counties at the table when implementation discussions are held. It is likely that the work with TNRCC will continue through the next couple of years.

Currently there are 119 member counties in the coalition and to date the coalition has collected approximately \$200,000.00. The coalition has spent \$119,833.65 over the past two years on EPA negotiations, congressional lobbying efforts, legal fees, and environmental engineering fees. Although there are 119 counties, which have actually contributed to the coalition, each county in Texas has benefited as a result of the coalition's efforts.

The coalition has three main objectives over the next two years: continue working with the TNRCC as they implement the Phase II program; continue the legislative approach both at the Federal and State levels; and continue the pursuit of the lawsuit as long as the environmental groups remain a party to the suit.

To successfully carry out these three objectives additional revenue will be needed. The Steering committee voted to solicit input from both the participating counties and the non-participating counties concerning the future objectives of the coalition. The Steering committee estimates that no more than 1/2 the amount previously collected from each county will be sufficient to carry out these three goals. A participation poll along with the fee structure according to population is attached for your convenience. The Steering committee is very cognizant of the fact that these are county tax dollars and it is not the intent of the Steering Committee to spend every dollar because it is in the bank. Any funds remaining will be returned proportionately to the participating counties.

The Steering committee has worked very diligently over the last two years to lessen the burden counties will face when forced to implement the Phase II program. It is safe to say that a lot has been accomplished, but the job is only half done, the negotiations with TNRCC are as important if not more important than the negotiations with EPA. We are hopeful that receiving this memorandum at this date you will be able to include the additional funds in the 2001 budget. Invoices will be mailed to each county which decides to participate in August 2000.

Please feel free to call Sue Glover, with the Texas Association of Counties (800-456-5974), Judge Helen Walker, Victoria County Judge (361-575-4558), or Commissioner Richard Cortese, Bell County Commissioner (254-933-5101) if you have any questions or need further clarification.

July 5, 2000

1. No money has been taken into the road fund by the undersigned.
2. During the month, the department received 34 requests for service with 28 requests completed. The remainder will be completed as time and weather permits.
3. Overlay operations continued in Precincts 1 and 3 using combinations of flyash and screened RAP, and chip seal.
4. County Road 234 was overlaid by using screened RAP placed on the road with a lay down machine (paver). This road was chosen because it is adjacent to a truck stop and a portion of it is heavily traveled by large trucks. The results of this new procedure will be closely monitored to see if it may be used on other heavily traveled roads around the County.
5. The majority of Panola County roads remain in good condition with precinct crews conducting overlay, maintenance and drainage operations.
6. Nothing further to report.
