RE: **CR #175**

The Panola County Commissioners' Court offers no objection to the location on the right-of-way of your proposed **1" serviceline** within the right-of-way of County Road #175 as shown by accompanying drawings and notice except as noted below.

It is expressly understood that the County Commissioners' Court does not purpose hereby, to grant any right, claim, title or easement in or upon this county road. It is further understood that in the future should for any reason the county need to work, improve, relocate, widen, increase, add to, or in any manner change the structure of this right-of-way, any required relocation of said lines shall be at the sole expense of owner.

All work on the county right-of-way shall be performed in accordance with the county instructions. The installations shall not damage any part of the road and adequate provisions must be made to cause minimum inconvenience to traffic and adjacent owners. Special specifications for placing this line are as follows:

1. All lines are to be installed a minimum of 36 inches below the flow line of the adjacent drainage or barrow ditch.
2. All excavation within the right-of-way and not under surfacing shall be backfilled by tamping in 6 inch horizontal layers. All surplus material shall be removed from the right-of-way and the excavation finished flush with surrounding natural ground.
3. Lines crossing under surfaced roads and under surfacing cross roads within the right-of-way shall be placed by boring. Boring shall extend from crown line to crown line. Gravity from sewer lines under roadways shall be cast iron pipe.
4. All lines, where practicable, shall be located to cross roadbed at approximately right angles thereto. No lines are to be installed under or within 50 feet of either end of any bridge. No lines shall be placed in any culvert or within 10 feet of the closest point of same.
5. Parallel line will be installed as near the right-of-way lines as is possible and

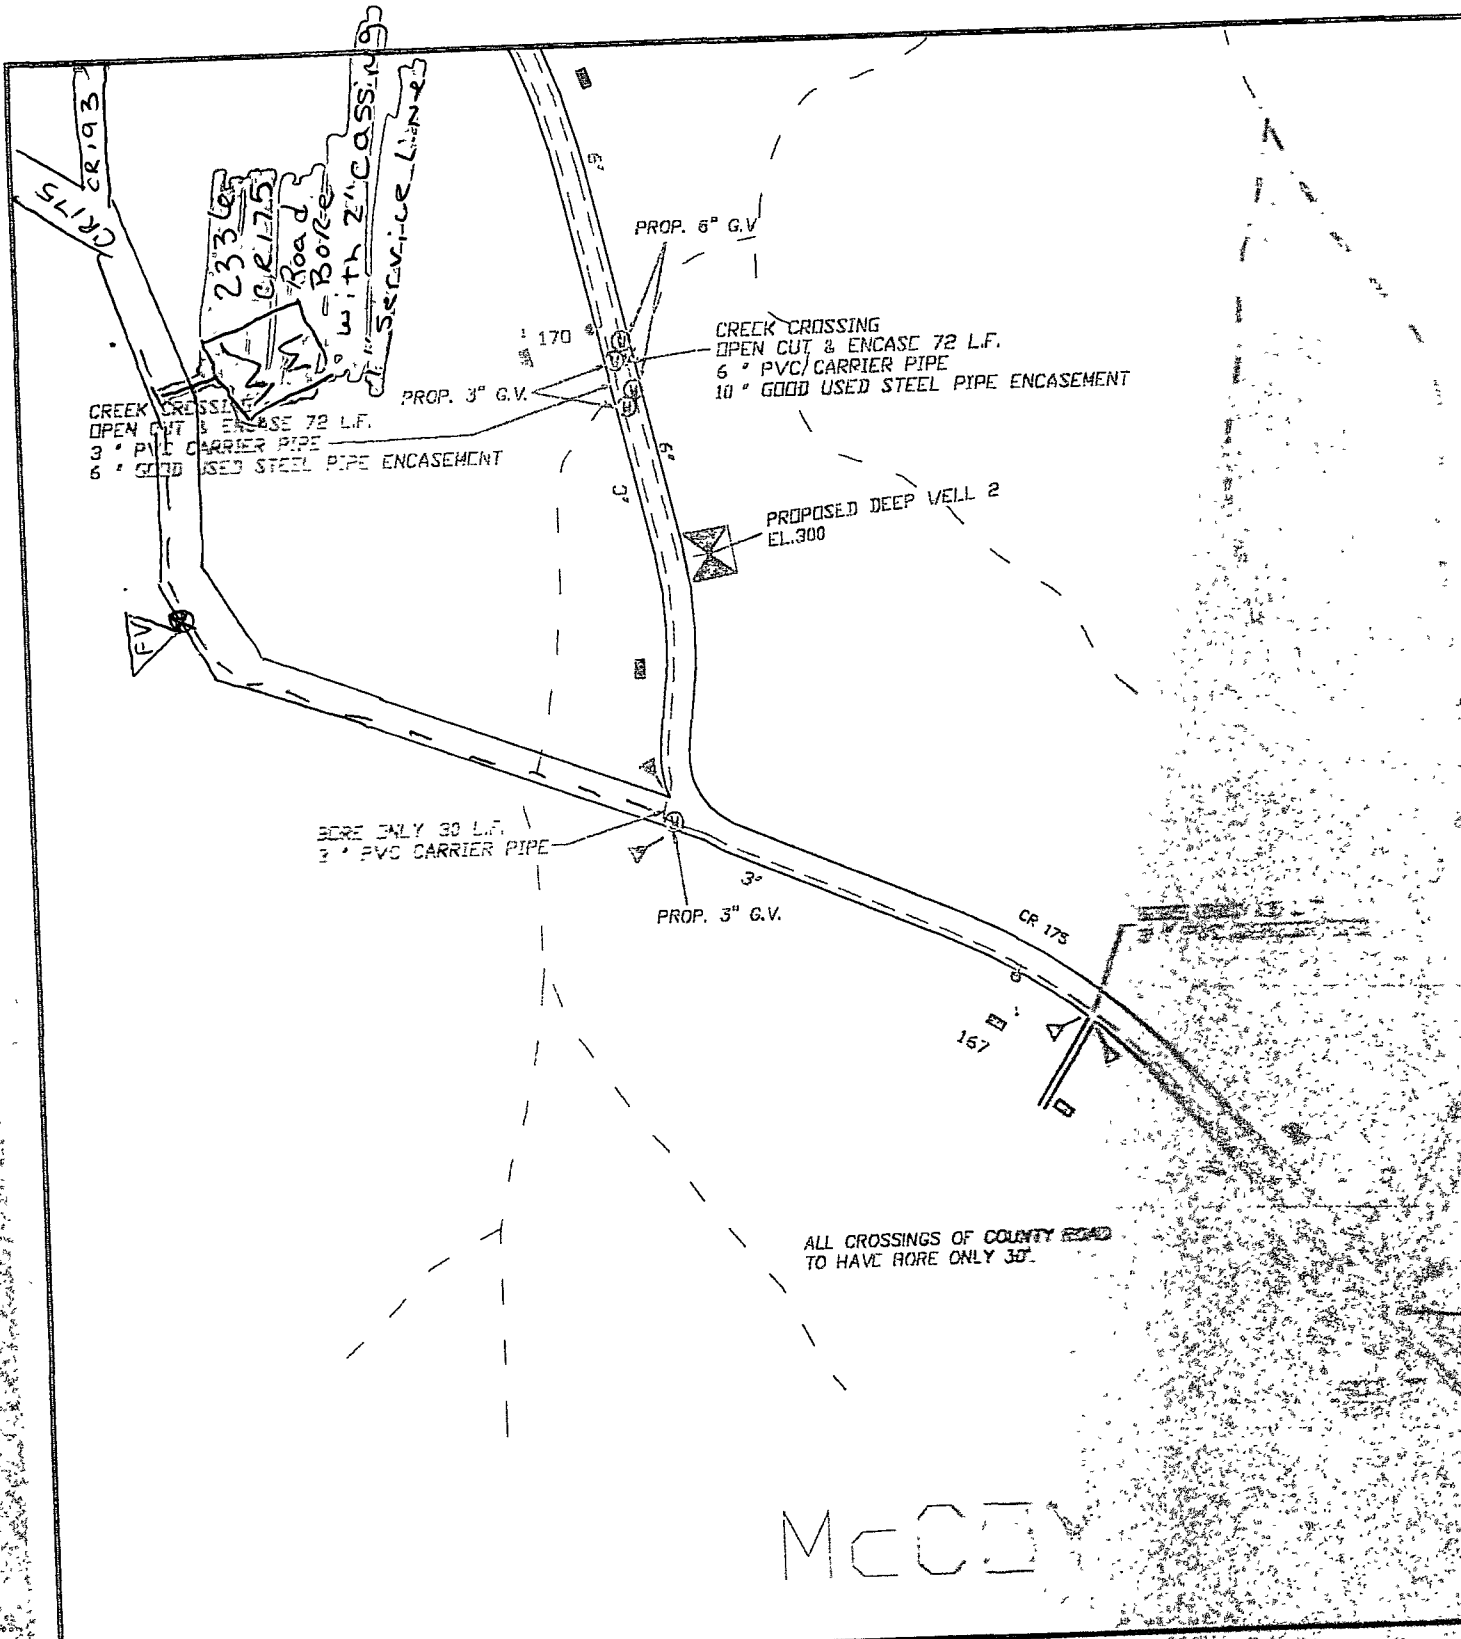

no parallel line will be installed in the roadbed or between the drainage ditch and the roadbed without special permission of the Panola County Commissioners' Court.

6. Operations along roadbeds shall be performed in such manner that all excavated material be kept off the pavement at all times, as well as all operating equipment and materials. No equipment or installation procedures will be used which will damage any road surface or structures. The cost of any repairs to road surface, roadbed, structures or other right-of-way features as a direct result of this installation will be borne by the owner of this line.
7. Barricades, warning signs, lights, and flag man(men) when necessary shall be provided by the contractor or owner. One-half (1/2) of the traveled portion of the road must be open at all times.

Dear Danny B. Davidson:

As you may be aware House Bill 9 of the 84th Legislature was enrolled and become effective on September 1, 2015. This bill raises the Employee's Retirement Contribution by 2.6% for the next biennium. The Legislature added Section 18.12 in Article IX of the General Appropriations Act. This section appropriates supplemental funds, to be paid through the counties, for the District Attorneys to offset the additional Employee's Retirement Contribution deduction

The Comptroller's Judiciary Section will be remitting to the counties the additional funding necessary for the counties to pay a monthly salary supplement to the District Attorneys. State funding will also be provided to reimburse the counties for the additional fringe benefit cost of administering the payment.

Attached is an informational form and questionnaire to be returned to the Judiciary Section by July 31, 2015

Please return the attached form in the enclosed envelope to
