Judge LeeAnn Jones
Panola County Courthouse
110 S. Sycamore, Room 216-A
Carthage, TX 75633

Dear Judge:

As per our conversation, I am writing to request assistance from Panola County in providing an additional parking lot for the Carthage Municipal Park. The park now has 5 fields for soccer and 12 fields for baseball and softball. This includes fields for Panola College and Carthage ISD to play ball. The parking situation has become a major concern over the past several years. The only place that has been located to put an additional parking lot is the area just behind the Exposition Center.

Initially, our plans are to place some type of rock on the designated area. The City would like your assistance in purchasing the material and/or with equipment and labor costs. Our intentions are to at least provide a hard surface, and then at some point in the future, asphalt the lot as funds become available.

Sincerely,

Brenda Samford
City Manager
City of Carthage
