THIS HARDWARE MAINTENANCE AND SOFTWARE MAINTENANCE AND SUPPORT SERVICES AGREEMENT ("Agreement") is made effective as of the date set forth below, by and between Election Systems & Software, LLC, a Delaware Limited Liability Company ("ES&S") and **Panola County, Texas** ("Customer")

RECITALS

- A ES&S has sold to Customer the proprietary voter tabulation equipment ("Equipment") and licensed the software ("Software") described on Attachment 1 and Customer now desires to obtain maintenance services for such Equipment and maintenance and support services for such Software
- B ES&S has agreed to provide such services, subject to the terms and conditions of this Agreement
- C This Agreement supersedes and replaces in their entirety any and all prior agreements between ES&S and Customer respecting maintenance services for such Equipment and maintenance and support services for such Software

NOW, THEREFORE, in consideration of the foregoing recitals (which are specifically incorporated herein by this reference) and the mutual representations, warranties, covenants and agreements set forth below, the parties hereby agree as follows

**ARTICLE I  
GENERAL**

1 **Term; Termination.** This Agreement for Hardware Maintenance and Software Maintenance and Support Services shall be in effect for the coverage period as described in Attachment 1 (the "Initial Term"). Upon expiration of the Initial Term, this Agreement shall automatically renew for an unlimited number of successive **Two-Year Periods** (each a "Renewal Period") until this Agreement is terminated by the first to occur of (a) either party's written election not to renew, which shall be delivered to the other party at least thirty (30) days prior to the end of the Initial Term or any Renewal Period, as applicable, (b) the date which is thirty (30) days after either party notifies the other that it has materially breached this Agreement, if the breaching party fails to cure such breach (except for a breach pursuant to subsection (e), which will require no notice), (c) the date which is thirty (30) days after ES&S notifies Customer that it is no longer able to procure replacement parts that may be needed in order to perform the Hardware Maintenance Services contemplated hereunder, (d) the date on which the Equipment or firmware installed thereon is no longer certified by federal and/or state authorities for use in Customer's jurisdiction, or (e) the date which is thirty (30) days after Customer fails to pay any amount due to ES&S under this Agreement. Upon the termination of the license, Customer shall immediately return the Software and Documentation (including any and all copies thereof) to ES&S, or (if requested by ES&S) destroy the Software and Documentation and certify in writing to ES&S that such destruction has occurred. The termination of this Agreement shall not relieve Customer of its liability to pay any amounts due to ES&S hereunder and shall only entitle Customer to a prorated refund of any fees already paid to ES&S in the event that this Agreement is terminated pursuant to subsection 1(c) or 1(d) above. Panola County intends to pay the consideration herein set forth for the full Term. However, in order to not create a debt that has not otherwise been appropriated and approved in accordance with the Texas Constitution, Panola County reserves the right to terminate this Agreement at the end of each budget year during the Term in the event of insufficient fiscal appropriations to continue this Agreement upon thirty (30) calendar days prior written notice to ES&S.

2 **Fees.** In consideration for ES&S' agreement to provide Hardware Maintenance and Software Maintenance and Support Services under this Agreement, Customer shall pay to ES&S the Hardware Maintenance and Software Maintenance and Support Fees set forth on Attachment 1 for the Initial Term and any Renewal Periods. The Hardware Maintenance and Software Maintenance and Support Fees for any Renewal Periods shall be as agreed to by the parties and such fees will not exceed ES&S' list prices which are in effect at the time of commencement of any Renewal Period. The Renewal Period fees are due and payable no later than thirty (30) days prior to the beginning of such renewal period. The Software Maintenance and Support Fees shall be comprised of (i) a fee for the Software Maintenance and Support of the ES&S Firmware, and (ii) a fee for the Software Maintenance and Support for all other ES&S Software, and shall be in addition to any fees or charges separately referred to in any Section of this Agreement. If Customer elects to receive Hardware Maintenance or Software Maintenance and Support for an Add-On License or New Product during the Initial Term or any renewal thereof, ES&S will charge an incremental fee for such services. In the event Customer terminates this Agreement through no fault of ES&S and later desires to subscribe to a Hardware Maintenance or Software Maintenance and Support Plan, or otherwise changes its Hardware Maintenance or Software Maintenance and Support Plan with ES&S during the Initial Term or any renewal thereof, ES&S will charge the Customer its then current contract administration fee in order to process such new subscription for, or change in, Hardware Maintenance or Software Maintenance and Support Coverage.

## **ARTICLE II HARDWARE**

1 **Maintenance Services.** The Hardware Maintenance Services to be provided to Customer under this Agreement for the ES&S equipment listed on Attachment 1 is set forth on Attachment 1 (the "Products") and shall be subject to the following terms and conditions:

a **Routine Maintenance Services.** An ES&S Representative shall provide such services as may be necessary to keep the Products in Normal Working Condition ("Routine Maintenance Services") once each **Twenty-Four (24) Months** during the Initial Term or any renewal thereof. Generally, Routine Maintenance Services shall include cleaning, lubrication, diagnostic check, and calibration services. The Routine Maintenance Services shall not include the repair or replacement of any ES&S Equipment components that are consumed in the normal course of operating the Equipment, including, but not limited to, paper rolls, batteries, removable media storage devices, PCMCIA cards, ink pads, ink cartridges or marking devices. Customer may request that Routine Maintenance Services be performed more than once during the Initial Term or any Renewal Period. Any such request shall be made at least sixty (60) days before the Routine Maintenance Services are desired. The per-unit fee for such additional Routine Maintenance Services is set forth on Attachment 1 and shall be due within thirty (30) days after invoice date. At the request of Customer, ES&S shall provide a reasonably detailed record of all Routine Maintenance Services performed with respect to the Products. ES&S will schedule the Routine Maintenance Services with Customer. The Routine Maintenance Services will be provided at Customer's Designated Location. Customer's "Designated Location" shall mean Customer's owned or leased facility at which Customer desires ES&S to perform the Hardware Maintenance Services. Customer acknowledges and agrees that the performance of Routine Maintenance Services for Product(s) identified on Attachment 1 as "depot repair only" shall only be provided pursuant to Section 1(b) below.

b **Remedial Maintenance Services.**

i **Defects Under Normal Use and Service.** In regard to the AutoMARK Voter Assist Terminals, if a defect or malfunction occurs in any Product while it is under normal use and service, Customer shall promptly notify ES&S, and ES&S shall use reasonable efforts to restore the item to Normal Working Condition as soon as practicable. The services provided by ES&S pursuant to this Subsection 1(b)(i) are referred to herein as "Repair Services". ES&S will perform Repair Services in conjunction with a preventative maintenance event at Customer's Designated Location. Repair services performed outside

of a preventative maintenance event shall be performed at an ES&S Depot Location and the Customer shall pay all costs associated with shipping Product(s) to the Depot, including insurance

ii **Defects Due to Customer Actions or Omissions.** If a defect or malfunction occurs in any Product as a result of (1) repairs, changes, modifications or alterations not authorized or approved by ES&S, (2) accident, theft, vandalism, neglect, abuse or use that is not in accordance with instructions or specifications furnished by ES&S or (3) causes beyond the reasonable control of ES&S or Customer, including acts of God, fire, flooding, riots, acts of war, terrorism or insurrection, labor disputes, transportation delays, governmental regulations, and utility or communication interruptions, rodent infestation, or if Customer does not notify ES&S within 24 hours after it knows of the defect or malfunction or is otherwise not in compliance with its obligations hereunder, Customer shall pay ES&S for the Repair Services at ES&S' then-current rates, as well as for the cost of all parts used in connection with such Repair Services

iii **Timing.** The date(s) on which any Repair Services shall be provided shall be mutually agreed upon by ES&S and Customer. If Customer requires ES&S to provide "emergency" Repair Services (which shall be defined as Repair Services that are provided within 48 hours after Customer notifies ES&S of the need therefor), and such emergency Repair Services are not needed as a result of an action, error or omission by ES&S, Customer shall pay a surcharge, as set forth on Attachment 1.

iv **Loaner Unit.** At Customer's request and if such product is available, ES&S shall use reasonable efforts to promptly make available to Customer a product that is the same as, or substantially similar to, the Product for which Repair Services are being performed (a "Loaner Unit"). If the Repair Services are being performed pursuant to Subsection 1(b)(ii) above, Customer shall pay ES&S for the use of the Loaner Unit at ES&S' then-current rates including the cost of shipping

c **Exclusions.** ES&S has no obligation under this Agreement to (i) assume the obligations under any existing or expired warranty for a Third Party Item, (ii) repair or replace Product components that are consumed in the normal course of operating the Product, including, but not limited to, paper rolls, batteries, removable media storage devices, PCMCIA cards, ink pads, ink cartridges or marking devices, or (iii) repair any Product from which the serial number has been removed or altered. In addition, ES&S may, at any time in its discretion, determine that any Product is no longer fit for Hardware Maintenance Services because it is in such poor condition that it cannot practically be restored to Normal Working Condition, or cannot be restored to Normal Working Condition at an expense that is less than the then-current value of the Product. If such a determination is made, ES&S shall no longer be required to provide Hardware Maintenance Services for such Product. ES&S shall also refund to Customer an amount equal to (1) that portion of the most recent fee paid for Hardware Maintenance Services that is attributable to such Product, multiplied by (2) a fraction, the numerator of which is the remaining number of days in the respective period within the Initial Term or Renewal Period for which such fee was paid and the denominator of which is the total number of days in the respective period within such Initial Term or Renewal Period

d **Sole Provider; Access.** Customer shall not permit any individual other than an ES&S Representative to provide maintenance or repairs with respect to the Products for so long as the Initial Term or any Renewal Period is in effect. Customer shall provide ES&S Representatives with all information necessary to enable them to provide Hardware Maintenance Services. Customer shall likewise provide full access to the Products and adequate working space for all Hardware Maintenance Services performed at its Designated Location, including sufficient heat, lights, ventilation, electric current and outlets

e **Storage.** When not in use, Products should be stored in a clean, secure environment. During operation of the Products, the facility temperature range should be 50° to 104° and the moisture range should be 10% to 50% relative humidity.

f **Reinstatement of Hardware Maintenance Services; Inspection.** If the Initial Term or any renewal thereof expires without being renewed, Customer may thereafter resume receiving Hardware Maintenance Services upon (a) notification to ES&S and (b) the granting to ES&S of access to the Products. ES&S requires Customer to allow it to inspect such Products before it provides any Hardware Maintenance Services. The purpose of such inspection shall be to determine whether or not the Products are fit for the ordinary purpose for which they are to be used, normal wear and tear excepted ("Normal Working Condition"). The cost of such inspection will be at the current published ES&S Technician labor rate and shall be due from Customer within thirty (30) days of its receipt of ES&S' invoice therefore. If any of the Products is not in Normal Working Condition, ES&S, at the option of Customer, (i) shall provide such repairs and replacements as it deems reasonable and necessary to restore such item to Normal Working Condition, at Customer's expense with respect to the cost of any labor (charged at the current published ES&S Technician labor rate) and parts used in such repairs or replacements, or (ii) shall not provide any Hardware Maintenance Services with respect to such Product(s).

### **ARTICLE III** **SOFTWARE MAINTENANCE AND SUPPORT SERVICES**

1 **Services Provided.** ES&S shall provide maintenance and support services ("Software Maintenance and Support") for the ES&S Software and ES&S Firmware (collectively, "ES&S Software"), to enable it to perform in accordance with its Documentation in all material respects, and to cure any defect in material or workmanship. The specific Software Maintenance and Support services provided by ES&S and each party's obligations with respect to such services are set forth on Attachment 1.

2 **Updates.** During the Initial Term and any Renewal Period thereof, ES&S may provide new releases, upgrades or maintenance patches to the ES&S Software, along with appropriate documentation ("Updates"), on a schedule defined by ES&S. Customer is responsible for obtaining and installing any upgrades or purchases of third party hardware or software required to operate the Updates. All Updates shall be deemed to be "Software", and shall be subject to all the terms and conditions of ES&S' license of the Software, upon delivery. Customer shall install Updates in accordance with ES&S' recommended instructions or may request that ES&S install the Updates. In the event Customer requests ES&S to install an ES&S Firmware Update, ES&S shall install such Update only in connection with the Routine Maintenance Services provided herein. ES&S may charge Customer at its then-current rates to (a) ship the Updates, (b) install the Updates (c) provide maintenance and support on the Software which is required as a result of Customer's failure to timely install an Update or (d) train the Customer on the Updates. Customer shall be responsible for any claim, damage, loss, judgment, penalty, cost, amount paid in settlement or fee which is caused by Customer's failure to install and use the most recent Update provided to it by ES&S. If Customer proposes changes in the Software to ES&S, such proposals will become ES&S' property. ES&S may, in its sole discretion, elect to make or not to make such changes without reference or compensation to Customer or any third party. ES&S represents to Customer that the Updates will comply with all applicable state law requirements at the time of delivery. Customer shall be responsible to ensure that it has installed and is using only certified versions of Software in accordance with applicable law. Customer shall pay ES&S for any Update which is required due to a change in federal or state law.

3 **Conditions.** ES&S shall not provide Software Maintenance and Support for any item of ES&S Software if such item requires such services as a result of (a) repairs, changes, modifications or alterations not authorized or approved by ES&S, (b) accident, theft, vandalism, neglect, abuse or use that is not in accordance with instructions or specifications furnished by ES&S, (c) causes beyond the reasonable control of ES&S or Customer, including acts of God, fire, riots, acts of war, terrorism or insurrection, labor disputes, transportation delays, governmental regulations and utility or communication interruptions, (d) Customer's failure to timely and properly install and use the most recent update provided to it by ES&S, (e)

Customer's failure to notify ES&S within 24 hours after Customer knows of the need for such services, or (f) if Customer is otherwise not in compliance with its obligations under this Agreement. Any such Software Maintenance and Support shall be provided at the fees to be agreed upon by the parties if and when the need for such Software Maintenance and Support arises. Replacement versions of Software requested by Customer as a result of items set forth in this Section 3 or as a result of Customer's actions or inactions shall be billable to Customer at ES&S' then current rates.

4 **Proprietary Rights.** ES&S shall own the entire right, title and interest in and to all corrections, programs, information and work product conceived, created or developed, alone or with Customer or others, as a result of or related to the performance of this Agreement, including all proprietary rights therein or based thereon. Subject to the payment of all Software Maintenance and Support Fees, ES&S hereby grants to Customer a non-exclusive license to use that portion of such corrections, programs, information and work product that ES&S actually delivers to Customer pursuant to this Agreement. All licensed items shall be deemed to be ES&S Software for purposes of this Agreement. Except and to the extent expressly provided herein, ES&S does not grant to Customer any right, license, or other proprietary right, express or implied, in or to any corrections, programs, information, or work product covered by this Agreement.

5 **Reinstatement of Software Maintenance and Support.** If the Initial Term or any Renewal Period thereof expires without being renewed, Customer may thereafter resume receiving Software Maintenance and Support upon (a) notification to ES&S, (b) payment of all fees, including a reinstatement charge, which would have been due to ES&S had the Initial Term or any Renewal Period not expired, and (c) the granting to ES&S of access to the ES&S Software, so that ES&S may analyze it and perform such maintenance as may be necessary before resuming the Software Maintenance and Support.

**ARTICLE IV  
MISCELLANEOUS**

1 **Taxes; Interest.** Customer will provide ES&S with proof of its tax-exempt status. If Customer does not provide such proof, it shall pay, or shall reimburse ES&S for, all sales and use, excise or other similar taxes imposed on the transactions contemplated by this Agreement, but shall in no event be liable for taxes imposed on or measured by ES&S' income. If Customer disputes the applicability of any tax to be paid pursuant to this Section 1, it shall pay the tax and may thereafter seek a refund. Any disputed or undisputed payment which is past due to ES&S will bear interest at the rate of one and one-half percent per month (or such lesser amount as may be permitted by applicable law) for each month or portion thereof during which it remains unpaid.

2 **Limitation of Liability.** Neither party will be liable for any indirect, incidental, punitive, exemplary, special or consequential damages of any kind whatsoever arising out of or relating to this Agreement. ES&S' total liability to Customer arising out of or relating to this Agreement shall not exceed the aggregate amount to be paid to ES&S hereunder. Any action by Customer against ES&S shall be commenced within 1 year after the cause of action has accrued. ES&S will not be liable under this Agreement for any claim, damage, loss, judgment, penalty, cost, amount paid in settlement or fee which is caused by Customer's election not to receive, or to terminate, the Hardware Maintenance and Software Maintenance and Support Services.

3 **Excusable Nonperformance.** If ES&S is delayed or prevented from performing its obligations under this Agreement due to any cause beyond its reasonable control, including, but not limited to, natural disaster, fire, flood, unusually severe weather, terrorism, insurrection, war, communications or transportation disruptions, Acts of God, labor disputes and governmental regulations, the delay shall be excused during the continuance of, and to the extent of, such cause, and the period of performance shall be extended to the extent necessary to allow performance after the cause of delay has been removed. ES&S agrees to work with Customer, at Customer's request, to develop mutually agreeable alternatives in order to minimize the negative impact of any such delay.

4 **Notice.** Any notice or other communication required or permitted hereunder shall be in writing, and will be deemed given when delivered personally, sent by confirmed facsimile transmission, sent by commercial overnight courier (with written verification of receipt) or sent by registered or certified mail, return receipt requested, postage prepaid, when the return receipt is received. All communications shall be sent to the attention of the persons listed on the signature page to this Agreement and at the addresses or facsimile numbers set forth on such signature page unless other names, addresses or fax numbers are provided by either or both parties in accordance herewith.

5 **Entire Agreement.** This Agreement, including Attachment 1 (which is specifically incorporated herein by this reference), contains the entire agreement of the parties with respect to the subject matter hereof and supersedes and replaces any and all other prior or contemporaneous discussions, negotiations, agreements or understandings between the parties, whether written or oral, regarding the subject matter hereof. Any provision of any purchase order, form or other agreement which conflicts with or is in addition to the provisions of this Agreement shall be of no force or effect. This Agreement shall be governed by and construed in accordance with the laws of the **State of Texas**, USA, without regard to its conflicts of laws principles. Except in the case of a sale, transfer or assignment of all or substantially all of the assets of ES&S to a successor who has asserted its intent to continue the business of ES&S, neither party may assign or transfer this Agreement without the prior written consent of the other party hereto, such consent not to be unreasonably withheld or conditioned, nor unduly delayed. ES&S may engage duly qualified subcontractors to perform certain of the Hardware Maintenance Services, but shall remain fully responsible for such performance.

6 **Counterparts; Execution By Facsimile.** This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but which together shall constitute one and the same instrument. The parties may execute this Agreement and exchange counterparts of the signature pages by means of facsimile transmission, and the receipt of such executed counterparts by facsimile transmission shall be binding on the parties. Following such exchange, the parties shall promptly exchange original versions of such signature pages.

IN WITNESS WHEREOF, this Agreement has been executed effective as of the date it is signed by the last of the parties hereto
