RE: Pest Control Quote

Mr. Hightower:

Thank you for your time and for giving me the opportunity to provide a quote for the pest control service for Panola County for the dates from January 1, 2016 to December 31, 2016.

I have serviced East Texas for the last 21 years using the latest techniques in the pest control industry. I use low odor chemical or bait depending on which is determined to be more effective.

The property will be treated on a monthly basis with us being on property once a month. Each month we will treat the original and new courthouse, Sheriffs office, probation offices, Detention Center, and the College Street Annex building, we will perform any reservices that are needed. The monthly fee of \$515.00 will cover all of your general pests, including roaches, ants, rats, mice, silverfish.

We will also add service to the Road and Bridge, which includes pest control at the office, as well as rodent control at the mechanic shop and the tire shop. The monthly fee for this portion will be \$110.00.

If you have any questions or concerns, please call me at 903-693-8808.

Sincerely,
