Judge LeeAnn Jones

Dear Judge,

I am writing this letter to formally request some additional room for storage of files, payroll records, monthly reports, etc. We are completely out of storage. I know that Bobbie Davis is vacating an office down stairs (by the Veteran Office) and would greatly thank the courts for the opportunity to have this office for storage. I will be more than happy to show anyone the storage room we have and the fact that there is not any room left.

Thank you in advance!  
Joni
