RE COPsync Services

Dear Ms Garcia:

Pursuant to the Award and Contract dated December 18, 2015, COPsync, Inc ("COPsync"), Panola County, Texas awarded a contract to COPsync to provide to the County information sharing and communication and data interoperability network services, as well as the necessary equipment for such services in Panola County Constable Precinct No 2 (the "Contract"). The services portion of the Contract provided for an annual payment to COPsyn of \$1,200.00 for such services. The substitution of a tablet for a laptop as part of the equipment provided under the Contract requires that Mobile Device Management security software service be provided for such equipment. COPsyn has offered to provide such security software service for an additional cost of \$60.00 per annum. This Amendment No 1 is to inform you that the County accepts the proposed additional service and agrees that the total annual cost for services under the Contract shall be \$1,260.00. The terms of the Contract shall in all other respects remain the same.

Please execute this letter as provided below to acknowledge your agreement to this Amendment No 1 and return it to me. If you have any questions, please contact me at 903-693-0392.

Sincerely,

Honorable LeeAnn Jones  
County Judge  
Panola County, Texas
