May 30, 2017

Honorable LeeAnn Jones, Judge – Panola County
110 S. Sycamore St. Room 216-A
Carthage, TX 75633

Dear Judge Jones:

As a report under Section 775.036(a)(4) of the Health & safety Code, we are proving this letter and attached financial statements as of December 31, 2016 for the Panola County Emergency Services District #1. The financial statements were prepared by the districts contracted accounting firm, Nixon and Woodfin CPA's. This information is being provided to comply with state statute and serves as our submission of a financial report. The Panola County Emergency Services District #1 also has an annual audit. Once that audit is completed, we will provide you with a copy and it can serve as supplemental additional information to the report that we are submitting today. The audit will be prepared by Robinson and Payne CPA's here in Carthage. The attached financial statements main difference from the final audit numbers will be related to depreciation. The audit will also be presented in the updated reporting requirements of the AICPA.

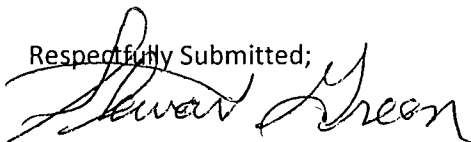

The attached financial statements are in the same format that the PCESD#1 has used for many years. The district experienced no unusual items for 2016. The district purchased only one of the more expensive units this year. The district maintains ample retained surplus which can be used in the case of an emergency.

As is reflected in the financial statements, the district had cash reserves of \$1,320,457.38 in CD'S and checking accounts as of 12/31/16. Year end balances are normally the highest point of the year due to the collection of current year tax revenues.

The district's budget for 2016 was \$838,194.00 in revenues and \$838,194.00 in expenditures of which \$23,684.00 was designated for contingency items. As the financial statements reflect, actual revenues were \$852,881.26 including interest income and actual expenditures were \$758,089.50. The revenues were based on tax rate of .02130% which is 29% below our statutory maximum of .03%. The district has maintained the .02130% tax rate now for the past five years. As has been consistent with prior years, the district has no outstanding debt and thus no debt service.

The continued support of county officials is greatly appreciated. If you have any questions or need any additional information, don't hesitate to let us know.

Respectfully Submitted;

Stewart Green, Board Chairman
