Go to [www.AboutMyTrees.com](http://www.AboutMyTrees.com) if you would like to learn more about trees. All hazard abatement techniques, except for removal, do not eliminate risk. These only reduce risk and prolong the life expectancy of the tree or defective part. Tree removal and pruning may result in branches and/or limbs falling from the tree. It is the responsibility of the customer to have the work area cleared of any objects or property that they do not wish to be damaged. We will make every attempt to keep lawn and surface damage to a minimum.

Payment is due upon job completion.

All About Trees reserves the right to charge 10% of the proposed cost for canceled jobs.
