It is expressly understood that the County Commissioners' Court does not purpose hereby, to grant any right, claim, title or easement in or upon this county road. It is further understood that in the future should for any reason the county need to work, improve, relocate, widen, increase, add to, or in any manner change the structure of this right-of-way, any required relocation of said lines shall be at the sole expense of owner.

All work on the county right-of-way shall be performed in accordance with the county instructions. ## **SPECIAL SPECIFICATIONS FOR PIPELINES CROSSING IN BORED HOLES AND PLACED PARALLEL TO COUNTY ROADS**

**GENERAL NOTE:** The construction of this project shall follow "The Panola County Road and Bridge Department Standard Specifications" with respect to barricades, flagmen, flares, warning signs, and all responsibility for complaints or damage suits by traveling public and adjacent property owners.

1. Exaction material shall not be placed on road shoulders or traffic lanes or in ditches where drainage would be impaired. 2. All excavations shall be backfilled in a neat and workmanlike manner and all disturbed areas shall be restored to a condition comparable to the original condition. Backfill material shall be consolidated to a density comparable to that of the adjacent undisturbed material, replacing all of the excavated material except that displaced by pipe. The degree of compaction shall be such as to prevent future settlement. Excess material displaced by the pipe shall be removed from the right-of-way or otherwise disposed of to the satisfaction of the county's representative. Pipe laying operation shall not be carried on when soil conditions are such that construction equipment will cause rutting. Backfill operations shall be kept within one mile of trenching and/or pipe laying operations.
3. Sod and/or other erosion control measures removed or disturbed by the installation shall be replaced. This shall include keeping separate and replacing existing topsoil, importing sod or seeding or a combination of these methods together with fertilizer and water as necessary to re-establish vegetative cover in a healthy and growing condition.
4. The pipe or, if encased, the encasement pipe shall completely fit the bored hole.
5. All private and commercial access driveways disturbed by pipe laying shall be restored to a condition comparable to that which existed prior to these operations. Special care shall be taken to compact backfill and base material to prevent future settlement. All work shall be complete to the owner's satisfaction. All public access driveways with paved surfaces shall be crossed by the bored hole method. Crossings of dirt or gravel public access driveways may be made as specified for private and commercial access driveways except that provisions shall be made for uninterrupted flow of traffic.

6. No trees or shrubbery shall be cut or trimmed without the approval of the Panola County Road and Bridge Department.
7. Regulations and ordinances of incorporated cities shall be complied with, if within the city limits.

### Affordable Care Act Reporting and Tracking Service (ARTS) Renewal Information

The Texas Association of Counties Health and Employee Benefits Pool (TAC HEBP) has begun the renewal process for those counties and districts participating in the Affordable Care Act Reporting and Tracking Service (ARTS). Renewal will enable your entity to produce the forms required by IRS Sections 6055/6056 for calendar year 2018, assuming this reporting continues to be a requirement. Reporting will consist of forms (currently Forms 1094/1095C) which must be provided both to employees and the IRS. Current law requires all employers with 50 or more full-time equivalent employees are required to file these forms. ARTS will provide measurement period tracking for 2018 and beyond (to determine whether an employee must be offered health coverage), as well as affordability testing for groups that require employee contributions toward the cost of their own health coverage.

*As your county or district provides health benefits through TAC HEBP, ARTS will continue to be available at NO COST in 2018, assuming program deadlines are met.*

Your entity will need to continue sending employee, payroll, and unpaid leave of absence files to TAC HEBP in order to utilize this service for the 2018 reports. The information provided will be used to determine:

- 1) whether your employees are subject to fines under the Affordable Care Act (ACA) individual mandate;
- 2) whether individuals are eligible for a federal premium subsidy or tax credit; and
- 3) whether your entity is subject to penalties under the ACA employer mandate.

Some payroll vendors have worked with TAC to produce these files for you. You will be responsible for the completion of required information in your payroll system and submission to TAC, but this eliminates the need for manually producing additional spreadsheets.

If you use a payroll system that will produce the required IRS forms, and you determine that your entity does not need measurement period tracking or affordability monitoring, you may not need ARTS. It is a service offered by TAC and is completely optional.

Enclosed is the ARTS Renewal Confirmation Program Agreement. Please return a signed copy (initials on pages 1 and 2, signature on page 3) to your Employee Benefits Consultant or email to [ARTS@county.org](mailto:ARTS@county.org) no later than 6/1/2018 if your entity wishes to continue its participation in the program. If you have any questions, please contact your Employee Benefits Consultant at (800) 456-5974.

**Program Services**

The ARTS program includes the following services:

- *Measurement, Administrative, and Stability Period tracking beginning January 1, 2018 and notification of eligibility for part-time / variable / seasonal employees (can provide tracking back to beginning of Measurement Period if 2017 data was provided by county/district);*
- *Reporting for your county/district regarding the status of potential benefits-eligible employees;*
- *Production of your county/district's 1094C and 1095C forms, shipped to you for distribution to employees (optional direct mail service);*
- *Transmission of your county/district's 1094C and 1095C forms to the IRS.*

**Program Requirements**

- 1) Participants must provide employer, payroll, employee and unpaid leave of absence (LOA) files related to the group's Health Benefits Plan in the format designated by TAC HEBP, as described on Attachment A: "ARTS File Specifications". Payroll data must be provided for each payroll cycle. Employee files must be provided, at a minimum, once per quarter. LOA files may be provided if and when applicable.
- 2) Group agrees to pay program fees as described in the 2018 ARTS Fee Schedule.

**Enrollment and Data Submission Deadlines**

- Groups who wish to participate in the ARTS program must return the signed documents to TAC HEBP no later than June 1, 2018 in order to participate.
- Data file transmission to TAC HEBP must begin no later than August 1, 2018 to avoid late fees, however, we recommend that you continue sending your files after each payroll or at least monthly to avoid getting backlogged. Please refer to the enclosed "2018 Deadlines for ARTS Files".

Project: Proposal for Scanning, De-Acidifying, Restoration and Image Processing

Nature of Change: The existing Marriage License Books Y and Z that are included in this project are legal size (8 ½ x 14), previously re-created from microfilm on non-archival paper. The current project goals for these books were to scan the paper copies, de-acidify the pages, encapsulate and place in new binders. Instead, we will scan the books from microfilm (provided by the county), recreate these 2 books on legal size (8 ½ x 14), acid-free, archival paper, place in new binders. This change will allow the customer to add one additional book to the project (increase the number of books processed from 72 to 73 books) at no additional charge.
