The foregoing discount rate, per item and authorization fees are based upon Merchant's complying with all processing requirements as established by the applicable governing authority of the payment type which qualifies Merchant for the most favorable interchange rates available for such payment type. Discount rates and other percentage fees are calculated by multiplying the rates and fees and the Merchant's applicable transaction volume. Per item and per authorization fees are calculated per transaction or authorization, as applicable. See Section 13 of the Card Services Terms and Conditions for information regarding the early termination fee. In addition to the per item fee, all Debit transactions include fees assessed by the applicable network organization. OTHER MONTHLY MISC ESS
