Go to www.AboutMyTrees.com if you would like to learn more about trees. All hazard abatement techniques, except for removal, do not eliminate risk. These only reduce risk and prolong the life expectancy of the tree or defective part. When removing and pruning trees, branches and or limbs may fall from the tree. It is the responsibility of the customer to move any moveable object(s) from under and around the work area. We will do everything in our power to keep the damage to your yard to a minimum.

Payment is due upon job completion.

All About Trees reserves the right to charge 10% of the proposed cost for canceled jobs.
