CITY, STATE & ZIP CODE

Carthage, Texas

JOB LOCATION

voter registration building

### ADDITIONAL INFORMATION

Areas of building have settled more than usual causing cracks in outer brick veneer and large separation between walls where original building meets with new addition. Large cracks have opened in front of original building next to windows that were not noticeable before. I have included a rough outline of the building on the second page showing where additional piers are needed to raise and stabilize the structure. The x mark the general location or required placement of the 18 press piers.

\* Provide 5 year WARRANTY on all work performed. Cesar Escalante

We propose hereby to furnish material and labor-complete in accordance with the above specifications for the sum of:

\$ 5400.00 fifty four hundred dollars.
