STEP Certificate of Construction Completion

Grant Recipient: Panola County for Deadwood WSC TxCDBG Contract No: 7216026

CERTIFICATION OF CONSTRUCTION COMPLETION

This is to certify that a final inspection of the project described below was conducted on the 20th day of August, 2018.

Description of work completed (i.e. quantities installed): Installation of one hundred fifty (150) meters, two (2) high service pumps, valves, one (1) back up generator, one (1) pressure tank, SCADA modifications, and related appurtenances.

Project Location- Construction took place at the following locations:

| Street | From | To |
|--------|------|----|
| | | |
| | | |
| | | |
| | | |
| | | |

This is to further certify that:

1) The work has been completed in accordance with the plans and specifications. If applicable, note the following exceptions to the preceding statement: _____

2) The project work has been performed predominately by community volunteer workers as identified in Quarterly Reports.

3) The use of self-help labor has resulted in a minimum of 40 percent savings (or the savings percentage specified in the application if greater) off of the retail price of the water or sewer project.

4) All bills for materials, apparatus, fixtures, machinery, labor, and equipment used in connection with the construction of this project have been fully paid.

5) All programmatic requirements have been met, all claims and disputes have been settled, all warranties have been received, and all liens have been released.
