

**INTERLOCAL CONTRACT
BETWEEN
THE DEPARTMENT OF INFORMATION RESOURCES
AND
PANOLA COUNTY
RELATING TO THE USE OF THE DIR SHARED SERVICES MASTER SERVICE
AGREEMENTS**

This Interlocal Contract ("ILC" or "Contract") is entered into by the governmental entities shown above as contracting parties (referred to individually as a "Party" and collectively as the "Parties") pursuant to the provisions of the Interlocal Cooperation Act, Chapter 791, Texas Government Code. This ILC is created to give effect to the intent and purpose of Subchapter L, Chapter 2054, Texas Government Code, concerning statewide technology centers, specifically sections 2054.376(a)(3), 2054.3771, and 2054.3851.

The entity receiving services under the DIR Shared Services Contracts through this ILC is hereinafter referred to as the "Receiving Entity" or the "DIR Customer."

This ILC authorizes DIR Customer to participate in the Department of Information Resources ("DIR" or "Performing Agency") Shared Services Program. The DIR Shared Services Program includes contracts that have been competitively procured by DIR. All specific services and products are purchased through the DIR Shared Services Program contracts and subject to the processes and terms therein.

DIR's Shared Services Program provides for a Multisourcing Service Integrator (MSI) service provider ("MSI SCP") and various Service Component Providers ("SCP"). The Shared Services Master Service Agreements, as amended, are defined on the Shared Services web page on the DIR website ("DIR Shared Services Contracts") and are incorporated herein. Unless otherwise referenced, the references to Exhibits and Attachments herein are references to Exhibits and Attachments of the DIR Shared Services Contracts.

DIR Customer acknowledges and agrees that this ILC is with DIR and, therefore, DIR Customer does not have privity of contract with the SCPs.

Capitalized terms not defined herein shall have the meaning set forth in the relevant DIR Shared Services Contract.

**SECTION I
CONTRACTING PARTIES**

DIR CUSTOMER: PANOLA COUNTY

PERFORMING AGENCY: Department of Information Resources

SECTION II STATEMENT OF SERVICES TO BE PERFORMED

2.1 Effect of ILC and General Process

The DIR Shared Services Program offers a variety of services and related support and products. The list of such services is provided through the DIR Shared Services Catalog and the DIR Shared Services portal. Further, SCPs may work with third-party vendors to provide additional services or products within the requirements of the relevant DIR Shared Services Contract.

This ILC describes the rights and responsibilities of the Parties relating to implementation, operation, maintenance, use, payment, and other associated issues by and between DIR Customer and DIR related to the Services to be provided through the DIR Shared Services Contracts. DIR Customer shall receive the Services described in the DIR Shared Services Contracts, subject to the terms of the relevant DIR Shared Services Contracts and this ILC. DIR Customer is only subject to those specific terms to the extent DIR Customer requests services or products through those specific DIR Shared Services Contracts.

The details of specific processes and procedures are contained in the relevant Service Management Manual ("SMM"), developed by the MSI and/or SCPs, approved by DIR, and incorporated herein. The DIR Shared Services Contracts require the MSI and SCPs to develop appropriately documented policies, processes, and procedures and to provide training to DIR Customer personnel where required to ensure effective service interfaces, before approval and adoption of the SMM.

The terms of the relevant DIR Shared Services Contracts will apply to this ILC and will remain in full force and effect except as may be expressly modified by any amendment to the specific DIR Shared Services Contract. Such amendments will automatically apply to this ILC with no further action by the Parties. DIR shall keep DIR Customer generally informed of such amendments and provide the opportunity to provide input to DIR through the Shared Services portal as well as the DIR Shared Services Program Governance structure described below.

2.2 DIR Shared Services Program Process

To obtain Services, DIR Customer shall either order services directly through the MSI Marketplace portal where certain services and pricing are established or request certain services and products through the Request for Services process. This process is detailed in the relevant SMM for each SCP. SCP(s) will respond with a proposal, including the proposed solution or service, estimated cost or other financial obligations, if any, and any other relevant program-specific terms and conditions related to the services provided for in response to the Request for Service. DIR Customer may accept or decline those terms and services at that time. The final DIR Customer approved technical solution, financial solution, and related terms are contractually binding terms that incorporate the terms of

this ILC and the relevant Shared Services Contract(s). Later termination of a Service or solution after an original approval or any pre-payment, may result in additional cost to the DIR Customer and may not allow for any refund of payments already made.

2.3 Change Orders and Change Control

In accordance with the relevant SMM and Shared Services Contract requirements, DIR Customer will coordinate with the MSI and/or SCP for all change requests. Change Control processes and authority may vary between DIR Shared Services Contracts as it relates to the rights of Customers to request changes. Further, Change Control does not allow DIR Customers to alter terms and conditions of the DIR Shared Services Contracts.

SECTION III DIR CUSTOMER PARTICIPATION

3.1 General Shared Services Governance

Governance of the DIR Shared Services Program is based on an owner-operator approach in which DIR Customers, in the role of operator, actively work with all SCPs to resolve local operational issues and participate in committees to address enterprise matters. Enterprise-level decisions, DIR Customer issues, and resolution of escalated DIR Customer-specific issues are carried out by standing governance committees, organized by subject area and comprised of representatives from DIR Customers, DIR management, SCP management, MSI management, and subject-matter experts. DIR Customers are structured into partner groups that select representatives to participate in these committees. DIR Customer shall participate within this Governance structure as described above and within the relevant SMM(s) ("Shared Services Governance").

3.2 DIR Customer and SCP Interaction and Issue Escalation

In accordance with the relevant SMM(s), DIR Customer shall interface with SCPs on the performance of "day-to-day" operations, including work practices requiring SCP and DIR Customer interaction, issues resolution, training, planning/coordination, and "sign-off." All issues are intended to be resolved at the lowest level possible. In those instances where it becomes necessary, the following escalation path is utilized. If DIR Customer is not able to resolve an issue directly with SCP staff, DIR customer escalates the issue to SCP management. If the issue cannot be resolved by SCP management, DIR Customer escalates to DIR. If the issue cannot be resolved by DIR, DIR Customer escalates to the appropriate DIR Shared Services Program Governance committee.

3.3 DIR Customer Specific Laws

Per the Compliance with Laws section of the DIR Shared Services Contracts, DIR Customer shall notify DIR, in writing, of all DIR Customer-specific laws ("DIR Customer-Specific Laws"), other than SCP Laws, that pertain to any part of DIR Customer's business that is supported by SCPs under the DIR Shared Services Contracts, and DIR

will notify SCPs, in writing, of such DIR Customer-Specific Laws. The Parties intend that such DIR Customer-Specific Laws will be identified and included in the portion of the SMM specific to DIR Customer. DIR Customer shall use commercially reasonable efforts to notify DIR, in writing, of any changes to DIR Customer-Specific Laws that may, in any way, impact the performance, provision, receipt and use of Services under the DIR Shared Services Contracts. DIR shall advise SCPs of such change and require that any changes to DIR Customer-Specific Laws are identified and included in the SMM. If necessary to facilitate DIR compliance with the requirements of the DIR Shared Services Contracts, DIR Customer shall provide written interpretation to DIR of any DIR Customer-Specific Law.

3.4 DIR Customer responsibilities

Where appropriate, DIR Customer shall support the following:

- (a) Software currency standards are established for the Shared Services environment through the owner operator governance model. DIR Customers will be engaged in approval of these standards and the development of technology roadmaps that employ these software currency standards. DIR Customers are expected to remediate applications in order to comply with the standards
- (b) Technology standards (e.g. server naming standards, reference hardware architectures, operating system platforms) are established through Shared Services Governance. DIR Customers will adhere to these standards. Any exceptions will follow governance request processes.
- (c) DIR Customer shall ensure network connectivity and sufficient bandwidth to meet DIR Customer's needs.
- (d) DIR Customers will collaborate with SCPs to establish and leverage standard, regular change windows to support changes to enterprise systems. These change windows will be constructed to support varying degrees of service impact, from planned down-time to no service impact. Standard enterprise changes during these windows may affect all systems in one or more of the consolidated data centers simultaneously.
- (e) DIR Customers will support the consolidation of commodity services into shared enterprise solutions that leverage common management and configuration practices delivered by the service providers. Examples of such commodity services are SMTP mail relay and DNS management.
- (f) DIR Customers will support and align with standard enterprise Service Responsibilities Matrixes and associated processes for obtaining an exception or making improvements to the standard enterprise Service Responsibility Matrixes.

3.5 DIR Customer Equipment and Facilities

Any use by SCPs of DIR Customer Equipment and/or Facilities shall be limited to the purpose of fulfilling the requirements of this ILC or the DIR Shared Services Contracts.

DIR Customer will retain ownership of DIR Customer Equipment. DIR Customer shall comply with DIR refresh policies, as amended from time to time by DIR.

3.6 DIR Customer Contracts, Leases, and Software with Third Parties

DIR Customer will make available for use or use its best efforts to cause to be made available for use by DIR and/or SCPs the DIR Customer Contracts and Leases with third parties ("DIR Customer Third Party Contracts and Leases") and DIR Customer third party software ("DIR Customer-Licensed Third Party Software") that pertain to the Shared Services. Any use by DIR and/or SCPs of DIR Customer Third Party Contracts and Leases and/or DIR Customer-Licensed Third Party Software shall be limited to fulfilling the requirements of this ILC or the DIR Shared Services Contracts.

SCPs shall obtain all Required Consents in accordance with DIR Shared Services Contracts. DIR Customer will use its best efforts to assist SCPs to obtain from each Third Party Software licensor the right to use the DIR Customer-Licensed Third Party Software for Services provided under the DIR Shared Services Contracts. Except to the extent expressly provided otherwise and in accordance with the DIR Shared Services Contracts, SCPs shall pay all transfer, re-licensing, termination charges and other costs or expenses associated with obtaining any Required Consents or obtaining any licenses or agreements as to which SCPs are unable to obtain such Required Consents. If requested by DIR, DIR Customer shall cooperate with SCPs in obtaining the Required Consents by executing appropriate DIR approved written communications and other documents prepared or provided by SCPs.

3.7 Security

DIR Customer shall comply with recommended relevant security standards and relevant SCP security guides, as amended from time to time by DIR, the MSI, or the SCP. DIR Customer shall inform DIR as to any DIR Customer specific security considerations.

DIR Customer acknowledges that any failure on its part to follow recommended security standards, policies, and procedures may place its own data and operations at risk as well as those of SCP(s) and other governmental entities. DIR Customer accepts the related potential risks and liabilities that are created by DIR Customer's failure to comply with the recommendations if it is determined such recommendations would have prevented an issue. DIR accepts no responsibility for the risk or liability incurred due to a DIR Customer's decision to not follow DIR's recommendations. SCP will not be liable for violations of security policies and procedures by DIR Customer. Additionally, failure to comply with security standards, policies, and procedures may lead to the suspension or

termination of the availability of certain Applications and services. SCP will give DIR and the DIR Customer notification of non-compliance.

SECTION IV CONTRACT AMOUNT

In accordance with terms of the DIR Shared Services Contracts, including all relevant pricing and accepted Request for Services proposals, and this ILC, DIR Customer shall be responsible for and agrees to pay DIR the applicable Charges for Services received from the SCPs and the MSI, Services DIR Customer agrees to pre-pay, the DIR recovery fees, any allocated charges, and any Pass Through Expenses incurred by DIR or SCPs on behalf of DIR Customer. The applicable fees are set out in the relevant DIR Shared Services Contracts as incorporated herein and, if applicable, specifically addressed in response to any Request for Services. Certain pricing is based upon DIR Customer's specific consumption; therefore, DIR Customer controls the amounts and duration of the contract amounts. It is understood and agreed that amounts are subject to change depending upon Services required and/or requested and approved and further dependent upon legislative direction and appropriations available for such Services.

Attachment A provides the estimated spend for services as approved by DIR Customer. This form may be revised and updated by DIR Customer as needed without a formal amendment from DIR by DIR Customer submitting to DIR an updated form. DIR Customer must adhere to its own policies and processes for authorizing an adjustment to such amounts internally. DIR Customer is solely responsible for monitoring compliance with Attachment A and to communicate any changes to Attachment A to DIR. DIR shall not be responsible for monitoring or ensuring such compliance.

SECTION V PAYMENT FOR SERVICES

DIR shall electronically invoice DIR Customer for Services on a monthly basis. Each invoice shall include the applicable monthly charges for Services received from the SCPs, the DIR recovery fees, all allocated charges, and any Pass-Through Expenses incurred by DIR or SCPs on behalf of DIR Customer in accordance with the DIR Shared Services Contracts.

The DIR recovery fees shall be reviewed at least annually in accordance with the requirements for billed statewide central services as set forth in OMB Circular A-87, Cost Principles for State, Local and Indian Tribal Governments (as updated, revised or restated) and other applicable statutes, rules, regulations and guidelines. DIR shall retain documentation for the DIR recovery fees. DIR fees are also determined and reported in accordance with DIR processes and sections 2054.0345-0346 of the Texas Government Code.

Each invoice shall include sufficient detail for DIR Customer to allocate costs to all federal and state programs in accordance with the relative benefits received and to make federal claims according to the federal cost plan of DIR Customer.

In order to allow DIR to meet the statutory payment requirements in Chapter 2251, Texas Government Code, DIR Customer shall make monthly payments by check or Electronic Funds Transfer (EFT) within twenty (20) days following receipt of each invoice from DIR. For purposes of determination of the payment due date, DIR and DIR Customer shall use the date when the invoice is electronically transmitted by DIR to DIR Customer and posted on the chargeback system along with reports that substantiate the service volumes and associated charges. Although cash flow considerations require timely payments as required herein, the rights of DIR Customer and DIR to dispute charges shall be consistent with Texas law.

The MSI SCP is required to develop and maintain a chargeback system. DIR shall coordinate requirements and functionality for the chargeback system with DIR Customer needs and requirements under federal and state requirements for invoiced charges generated through the system. DIR Customer shall utilize this chargeback system to link the designated measurable activity indicators (such as applications or print jobs) with the appropriate financial coding streams. DIR Customer shall update this information monthly, or at such other intervals as are necessary, to enable the MSI SCP to generate accurate invoices reflecting the appropriate distribution of costs as designated by DIR Customer.

DIR Customer is liable for all costs and expenses associated with providing Services under the ILC to the extent such costs and expenses have been incurred by DIR and such Services have been provided to DIR Customer or DIR Customer agrees to pay for such Services prior to receiving them.

Except as allowed in Texas Government Code, Chapter 2251, DIR Customer shall have no right to set off, withhold or otherwise reduce payment on an invoice. In accordance with Texas Government Code, Section 791.015, to ensure enforceability of payment obligations, DIR Customer consents to DIR presenting this ILC and all unpaid invoices to the alternate dispute resolution process, as set forth in Chapter 2009, Texas Government Code. Provided, however, that such consent shall not constitute an agreement or stipulation that Services have been provided or that the invoices are correct. DIR Customer expressly retains all rights to which it is entitled under Texas Government Code, Chapter 2251, in the event of a disagreement with DIR as to whether Services have been provided and accepted or an invoice contains an error.

If DIR Customer disputes an invoice, it shall present the billing dispute in writing directly to the MSI through the Service Catalog within four (4) invoice cycles after the date DIR Customer receives the invoice and reports that substantiate the service volumes and associated Charges from DIR. DIR Customer will provide to the MSI all relevant documentation to justify the billing dispute.

SECTION VI TERM AND TERMINATION OF CONTRACT AND SERVICES

6.1 Term and Termination of ILC

The term of this ILC shall commence upon start of services or execution of this ILC, whichever shall come earlier, and shall terminate upon mutual agreement of the Parties.

This ILC is contingent on the continued appropriation of sufficient funds to pay the amounts specified in DIR Customer's Requests for Services, including the continued availability of sufficient relevant federal funds if applicable. Continuation of the ILC is also contingent on the continued statutory authority of the Parties to contract for the Services. If this ILC is terminated for any reason other than lack of sufficient funds, lack of statutory authority, or material breach by DIR, DIR Customer shall pay DIR an amount sufficient to reimburse DIR for any termination charges and any termination assistance charges incurred under the DIR Shared Services Contracts and this ILC as a result of such termination by DIR Customer. DIR Customer shall provide at least ninety (90) days' written notice to DIR prior to termination. Payment of such compensation by DIR Customer to DIR shall be a condition precedent to DIR Customer's termination.

DIR and DIR Customer acknowledge and agree that compliance with federal law and ongoing cooperation with federal authorities concerning the expenditure of federal funds in connection with the DIR Shared Services Contracts and this ILC are essential to the continued receipt of any relevant federal funds.

6.2 Termination of Services

If DIR Customer terminates certain Services, that it requested and approved, for convenience, DIR Customer shall pay the remaining requisite unrecovered costs that have already been incurred prior to the notice of termination, such unrecovered costs will be calculated in accordance with the relevant Shared Services Contract, SMM, or the approved services proposal and related terms. DIR Customer understands that it may not be able to terminate services or receive any refund of a pre-payment after approving the relevant financial solution.

SECTION VII MISCELLANEOUS PROVISIONS

7.1 Public Information Act Requests

Under Chapter 552, Texas Government Code (the Public Information Act), information held by SCPs in connection with the DIR Shared Services Contracts is information collected, assembled, and maintained for DIR. DIR shall respond to Public Information Act requests for SCP information. If DIR Customer receives a Public Information Act request for SCP information that DIR Customer possesses, DIR Customer shall respond

to the request as it relates to the information held by DIR Customer. Responses to requests for confidential information shall be handled in accordance with the provisions of the Public Information Act relating to Attorney General Decisions. Neither Party is authorized to receive or respond to Public Information Act requests on behalf of the other. If SCP or DIR receives a Public Information Act request for information or data owned by DIR Customer, DIR or SCP will refer the requestor to DIR Customer.

7.2 Inventory Control

DIR shall coordinate financial accounting and control processes between DIR Customer and SCPs and ensure inclusion of reasonable control and reporting mechanisms, including any control and reporting mechanisms specifically required by DIR Customer, in the Service Management Manual. Such procedures shall specifically recognize DIR Customer requirements for inventory control and accounting for state owned and leased equipment and facilities, including hardware, software, contracts, and other items of value that may be utilized by, or authorized for use under the direction and control of SCPs.

7.3 Confidential Information

DIR shall require SCPs to maintain the confidentiality of DIR Customer information to the same extent that DIR Customer is required to maintain the confidentiality of the information, and with the same degree of care SCPs use to protect their own confidential information. DIR acknowledges that DIR Customer may be legally prohibited from disclosing or allowing access to certain confidential data in its possession to any third party, including DIR and SCPs. The relevant SMM shall document detailed confidentiality procedures, including the process DIR Customer shall follow to identify confidential information it is legally prohibited from disclosing or allowing access to by DIR and SCPs and including confidentiality procedures required that are specific to DIR Customer. The DIR Shared Services Contracts sets forth the confidentiality obligations of SCPs.

DIR Customer shall notify DIR, in writing, (1) if DIR Customer is a covered entity subject to the Health Insurance Portability and Accountability Act (HIPAA) privacy regulations at 45 Code of Federal Regulations Parts 160 and 164, that is required to enter into a business associate agreement with DIR or SCPs; (2) if DIR Customer receives Federal tax returns or return information; and (3) if DIR Customer is subject to any other requirements specific to the provision of Services. If DIR Customer receives federal tax returns or return information, then DIR Customer must comply with the requirement of IRS Publication 1075 and Exhibit 7 to IRS Publication 1075. In the event a DIR customer is subject to additional requirement as mentioned in this section, DIR shall require SCPs to maintain the confidentiality of DIR Customer information in accordance with language included in Attachment B of this agreement. Such additional requirements as is included in Attachment B of this agreement shall be included in the relevant SMM.

7.4 Notification Information

Contact information for purposes of notification for each Party is set forth below.

DIR Customer's Primary Contact

Name: Lee Ann Jones
Title: County Judge
Address: 110 S Sycamore St., Carthage, TX 75633
Telephone: 903-693-0391
Email: leeann.jones@co.panola.tx.us

DIR's Primary Contact

sharedservicescontractoffice@dir.texas.gov

The DIR Billing Contact is listed in the DIR Contacts section of the monthly Shared Services Payment Guidance letter, which is provided to the DIR Customer with the monthly Shared Services invoice.

7.5 Binding Effect

The Parties hereto bind themselves to the faithful performance of their respective obligations under this ILC.

7.6 Amendments

This ILC may not be amended except by written document signed by the Parties hereto or as specified within this ILC or the attachment being amended.

7.7 Conflicts between Agreements

If the terms of this Contract conflict with the terms of any other contract between the Parties, the most recent contract shall prevail. This Contract provides a general description of certain terms within the DIR Shared Services Contracts. If the terms of this Contract conflict with the terms of the DIR Shared Services Contracts, the DIR Shared Services Contracts' terms shall prevail. If the terms of this Contract conflict with the terms of an accepted proposal or solution from a Request for Services, this Contract shall prevail.

7.8 Responsibilities of the Parties

The Parties shall comply with all federal, state and local laws, statutes, ordinances, rules and regulations and with the orders and decrees of any courts or administrative bodies or tribunals in any manner affecting the performance of the ILC. The parties do not intend to create a joint venture. Each Party acknowledges it is not an agent, servant or employee of the other. Each Party is responsible for its own acts and deeds and for those of its agents, servants and employees. Notwithstanding the foregoing, DIR will cooperate with DIR Customer in all reasonable respects to resolve any issues pertaining to federal funding in connection with this ILC or the DIR Shared Services Contracts.

DIR and DIR Customer agree that Services contemplated in this ILC shall be governed by provisions in the DIR Shared Services Contracts regarding individual responsibilities of the parties, including Services provided by the SCPs. DIR Customer shall comply with all policies, procedures, and processes in the relevant SMM (s) and as provided by DIR. In the event DIR Customer actions, failure to perform certain responsibilities, or Request for Services result in financial costs to DIR, including interest accrued, those costs shall be the responsibility of DIR Customer. DIR and DIR Customer shall coordinate and plan for situations where conflicts, failure to perform or meet timely deadlines, or competition for resources may occur during the term of this contract. Unless otherwise specifically addressed, the governance process, addressed above, for the DIR Shared Services Contracts shall be used for issue resolution between DIR Customers, DIR and DIR SCPs.

7.9 Audit Rights of the State Auditor's Office

In accordance with Section 2262.154, Texas Government Code and other applicable law, the Parties acknowledge and agree that: (1) the state auditor, the Parties' internal auditors, and if applicable, the Office of Inspector General of DIR Customer or their designees may conduct audits or investigations of any entity receiving funds from the state directly under the Contract or the DIR Shared Services Contracts, or indirectly through a subcontract under the DIR Shared Services Contracts; (2) that the acceptance of funds directly through this Contract or indirectly through a subcontractor under the Contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, the Parties' internal auditors, and if applicable, the Office of Inspector General of DIR Customer or their designees to conduct audits or investigations in connection with those funds; and (3) that the Parties shall provide such auditors or inspectors with access to any information considered relevant by such auditors or inspectors to their investigations or audits.

7.10 General Terms

Except as expressly provided herein, no provision of this ILC will constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies or immunities available to DIR Customer. The failure to enforce or any delay in the enforcement of any privileges, rights, defenses, remedies, or immunities available to DIR Customer by law will not constitute a waiver of said privileges, rights, defenses, remedies, or immunities or be considered as a basis for estoppel. Except as expressly provided herein, DIR Customer does not waive any privileges, rights, defenses, remedies or immunities available to DIR Customer.

This Customer Agreement will be construed and governed by the laws of the State of Texas. Venue for any action relating to this Customer Agreement is in Texas state courts in Austin, Travis County, Texas, or, with respect to any matter in which the federal courts have exclusive jurisdiction, the federal courts for Travis County, Texas.

If one or more provisions of this ILC, or the application of any provision to any Party or circumstance, is held invalid, unenforceable, or illegal in any respect, the remainder of

DIR Contract No. DIR-SS-ILC0054

this ILC and the application of the provision to other Parties or circumstances will remain valid and in full force and effect.

Signatory Warranty

Each signatory warrants requisite authority to execute the ILC on behalf of the entity represented.

**SECTION VIII
CERTIFICATIONS**

The undersigned Parties hereby certify that: (1) the matters specified above are necessary and essential for activities that are properly within the statutory functions and programs of the affected agencies of State Government; (2) this ILC serves the interest of efficient and economical administration of State Government; and (3) the Services, supplies or materials in this ILC are not required by Section 21, Article 16 of the Constitution of Texas to be supplied under contract given to the lowest responsible bidder.

IN WITNESS WHEREOF, the Parties have signed this ILC effective on date of last signature below.

Attachments to ILC

Attachment A Estimated Spend Form – (Customer may provide Attachment A to DIR if required by their processes.)

Attachment B Additional Confidentially Requirements – (As necessary and described in Section 7.3, Confidential Information)

Attachment A
Estimated Spend Form

*This form is to be used as needed by the DIR Customer to capture spend within the Shared Services Program. This amount may be based upon the DIR Customer's biennial budget(s).

Below are the estimated spend amounts for certain DIR Shared Services received through this ILC and may change based upon DIR Customer consumption. This amount is to be managed and monitored solely by the DIR Customer. Amounts may be transferred by the DIR Customer that change this amount. Such increases or decreases are strictly within the control of the DIR Customer.

DIR Customer is required to pay for any costs incurred in accordance with this ILC and the related DIR Shared Services Contracts regardless of the estimated spend amounts reflected herein.

Updates to this form may be executed through written notice by the DIR Customer to DIR.

Costs, such as incremental network expenses, which are billed directly to or paid by the DIR Customer, are not included in these amounts.

For the period MONTH DAY, YEAR through MONTH DAY, YEAR the estimated spend is \$XX,XXX as the spend applies to _____ Services.

DIR Customer acknowledges and agrees that the responsibility to manage, monitor, and change the amounts contained in this form are the sole responsibility of the DIR Customer. Further, each signatory warrants requisite authority to execute any changes to this Attachment A in accordance with the DIR Customer's applicable approval processes.

MANAGED SECURITY SERVICES TERMS AND CONDITIONS

This agreement is part of and incorporated within the Interagency/Interlocal Contract ("Contract") that has been entered into by the contracting parties. DIR Customer acknowledges and agrees that this Contract is with DIR and, therefore, DIR Customer does not have privity of contract with the SCPs.

Capitalized terms not defined herein shall have the meaning set forth in the relevant DIR Shared Services Contract.

DIR Customer agrees to the following conditions for receiving Managed Security Services:

1. Conditions for Providing Security Services

1.1 Access

DIR and/or Service Component Provider (SCP) shall use the Internet for primary access to DIR Customer's systems unless otherwise noted and agreed upon. DIR Customer shall not employ special access restrictions against DIR and/or Service Component Provider that it does not apply to the rest of the public network over the course of regular business.

1.2 Network Control

DIR Customer must inform DIR if DIR Customer does not control its network access and/or its Internet service is provided via a third party. DIR Customer is responsible for obtaining all necessary approvals. DIR Customer shall provide all necessary contact information for the third parties that control its network access, Internet service, and/or web applications. DIR Customer's emergency contact list shall include primary and secondary staff capable of administering DIR Customer computer systems specific to the type of services being requested or required.

1.3 Disclosure of Objectionable Material

In conducting the services authorized by DIR Customer, DIR may inadvertently uncover obscene, excessively violent, harassing, or otherwise objectionable material that may violate State or Federal law, including material that may infringe the intellectual property of a third party on DIR Customer devices or networks. DIR shall notify DIR Customer's Executive Director or highest level executive of the existence of all such objectionable and/or potentially illicit material so that DIR Customer may deal with the objectionable and/or potentially illicit material as it deems appropriate.

If DIR accesses child pornography, as defined in the Child Sexual Exploitation and Pornography Act, 18 U.S.C., Chapter 110, in conducting approved Services, DIR shall report such to DIR Customer's Executive Director or highest level executive and an appropriate law enforcement agency and provide the law enforcement agency access to the visual depictions of child pornography.

If DIR accesses information that they perceive as a serious threat to human life or safety in conducting the approved Services, DIR shall report such threat to an appropriate law enforcement agency and DIR Customer's Executive Director or highest-level executive.

1.4 No Warranties and Limitation of Liability

DIR makes no representation or warranty that its security services will disclose, identify, or prevent all vulnerabilities. DIR hereby disclaims all warranties, both express and implied, including without limitation, the implied warranties of merchantability and fitness for a particular purpose. In no event shall DIR be liable for damages of any kind or nature that may arise from the services provided by DIR or DIR's Service Component Provider or Service Provider.

1.5 Service Interruption

DIR will endeavor not to disrupt DIR Customer's services and to adhere to best practices for all work performed. However, tools or services may affect the serviceability of poorly configured or overextended systems or services. It is possible that control of DIR Customer's system may be lost. For any testing that DIR may be conducting, DIR endeavors to use the safest methods to compromise DIR Customer's systems; however, DIR Customer should be prepared to restore a damaged system from a recent, acceptable backup within an acceptable time as determined by DIR Customer. During any testing DIR may conduct, DIR will NOT conduct any deliberate Denial-of-Service attack. DIR Customer agrees not to hold DIR liable in the event of any service interruption(s) that may arise as a result of performance of any Services. If either party becomes aware of a service interruption, that party will notify the other party's emergency contact.

1.6 Termination of Services

If DIR Customer terminates certain Services, that it requested and approved, for convenience, DIR Customer shall pay the remaining requisite unrecovered costs that have already been incurred prior to the notice of termination, such unrecovered costs will be calculated in accordance with the relevant DIR Shared Services Contract, SMM, or other DIR Customer approved terms. DIR Customer understands that it may not be able to terminate services or receive any refund of a pre-payment after approving the relevant financial solution.

2. DIR and DIR Customer Responsibilities

2.1 DIR Customer agrees as follows to the extent assessment Services are requested or required:

- a) DIR Customer responses to information requests and artifacts gathering pertinent to this security and risk assessment will be timely;
- b) The artifacts data are reasonably available via interviews and documents review;
- c) DIR Customer will make available the necessary Subject Matter Expert (SME) with required expertise to work with the SCP Assessment Team and will remain available thru the duration of the assessment;
- d) DIR Customer SME will be available when required for interaction with the SCP Assessment Team and that all the interviews will be conducted over the number of consecutive days as established during the project planning and scheduling phase;
- e) DIR Customer is responsible for the coordination and scheduling of resources and providing meeting facilities as necessary;
- f) Deliverables will be complete when DIR Customer has approved in writing that the deliverable meets the acceptance criteria;
- g) All document deliverables must be in formats (hard copy and/or electronic) as specified by DIR Customer. At a minimum, the formats must be in industry-accepted standards (e.g., MS Word, MS PowerPoint MS Project);
- h) DIR Customer will assist with meeting coordination for meetings between DIR Customer Key Personnel and DIR and the Service Provider and other staff to gather requirements and other activities;
- i) DIR may receive final copies of reports if DIR is paying for the assessment.

2.2 Penetration Testing

2.2.1 DIR Customer agrees as follows to the extent penetration testing (“PT”) is requested or required:

- a) SCP may conduct a passive scan to determine the number of live IPs within the Customer designated IP range.
- b) DIR Customer shall not intentionally place an unsecured system or device in the test scope.
- c) If DIR Customer detects SCP testing activities, DIR Customer technical staff shall follow standard operating procedures and policies.

2.3 DIR Customer Compliance

DIR Customer shall comply with all policies, procedures, and processes in the relevant SMM(s) and as provided by DIR.

Department of Information Resources

Shared Services Program Brief

Program Objectives

DIR's Shared Services Program objective is to enable organizations access to managed IT as a service, allowing Customers to focus resources on supporting their mission and business functions rather than directly managing IT services.

- Increase the level of IT maturity across the state by creating a consistent IT landscape with a robust service management framework.
- Continually develop and deploy Shared Services solutions based on business needs and values.
- Provide improved customer relationships and operational efficiencies, optimized delivery of services, and integrated operations.

Program Highlights

Collaborative

This shared service environment drives collaboration between DIR, Service Component Providers, and DIR customers while the program governance, systems, and tools provide a high level of visibility and control over service delivery. Shared Services are provided through a shared, collaborative

governance model which provides a set of defined interactions, expectations, decisions, roles, and processes that guide the governance of the program, facilitate effective resolution of issues, and enables strategic decision making. Services are administered through established processes based on an Information Technology Infrastructure Library (ITIL) methodology, ensuring the use of standardized, repeatable processes and best practices.

Competitive

Shared Services are competitively procured and contracted by DIR. Contracts include negotiated service level requirements, terms and conditions, price, and reporting requirements.

Comprehensive Service Management

A Multi-sourcing Services Integrator (MSI) provides a next-generation digital platform utilized by the DIR shared services Service Component Providers (SCPs) and customers. This platform includes services level management, service desk support, constituent help desk support, program management, business continuity, disaster recovery testing and planning, marketplace functionality, performance analytics, and financial

management. This centralized platform includes a Shared Services Customer Portal which provides a secure, single point of access to the marketplace, tools, reports, data, newsletters, contacts, governance committee meeting documentation, enterprise calendars and other useful information.

Department of Information Resources

Shared Services Program Brief

Program Oversight

DIR customers access all Shared Services through the execution of a single Interagency Contract (IAC) or Interlocal Contract (ILC) that addresses general terms for access to all Shared Services. Individual services and terms specific to those services are provided upon Customer submitting a Request for Service.

DIR

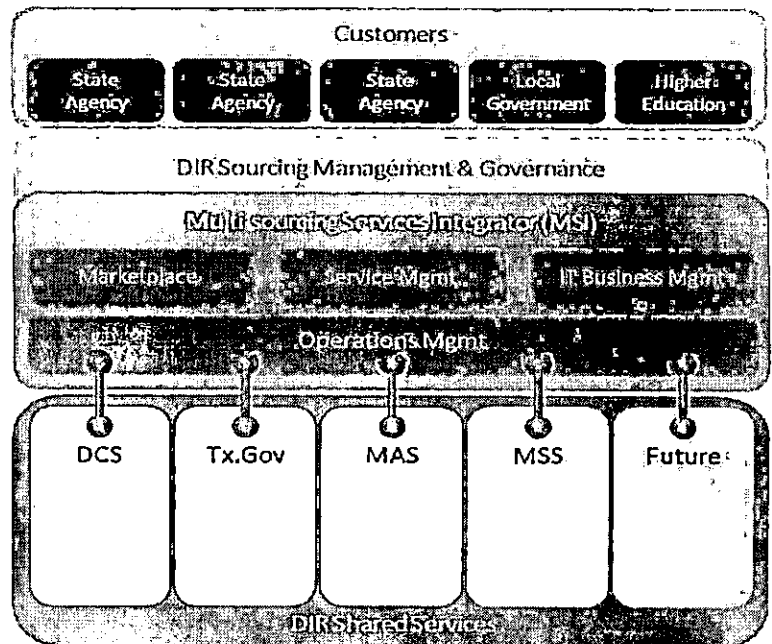

DIR provides contract management for and oversight of the program.

Multi-sourcing Services Integrator (MSI)

The MSI acts to standardize processes, administer enterprise service components of the program, and maintain the Shared Services Customer Portal.

Service Component Provider (SCP)

All Shared Services providers are referred to as SCPs (excluding the MSI). SCPs engage with customers to identify, propose, and implement service solutions to meet customer business needs.

Service Delivery Structure

Data Center Services (DCS) including Cloud Services¹

Infrastructure Managed Services, Public and Private Hybrid Cloud, Mainframe, Bulk Print/Mail, Disaster Recovery as a Service, Geographic Information Systems (GIS) Services, and Office 365

Managed Application Services (MAS)

Application Maintenance Services, Application Development Services, and Managed Application Services Rate Card Resources

Managed Security Services (MSS)

Security Monitoring and Device Management (SMDM), Incident Response, and Risk and Compliance

Texas.gov Services

Application Development, Application Maintenance and Operations, Payment Services

¹ As stated in Texas Government Code 2054, designated DCS Customers are mandated to purchase data center services (mainframe, network, bulk print/mail, and server) through DIR's DCS Program. All other Shared Services offerings are discretionary.

The Texas Legislature has historically appropriated budget authority for Data Center Services (DCS) as a capital budget. As MAS and MSS are offered through the DCS program, DCS customers may choose to transfer budget from an operating account to their DCS capital budget. Customers should consult with their ACO or LBB analyst on the best approach for their organizations.
