RE: **CR #3150 & #3153**

The Panola County Commissioners' Court offers no objection to the location on the right-of-way of your proposed **temporary freshwater pipelines** within the right-of-way of County Roads **#3150 & #3153** as shown by accompanying drawings and notice except as noted below.

It is expressly understood that the County Commissioners' Court does not purpose hereby, to grant any right, claim, title or easement in or upon this county road. It is further understood that in the future should for any reason the county need to work, improve, relocate, widen, increase, add to, or in any manner change the structure of this right-of-way, any required relocation of said lines shall be at the sole expense of owner.

All work on the county right-of-way shall be performed in accordance with the county instructions. The installations shall not damage any part of the road and adequate provisions must be made to cause minimum inconvenience to traffic and adjacent owners. Special specifications for placing this line are as follows:

1. All lines are to be installed a minimum of 36 inches below the flow line of the adjacent drainage or barrow ditch.
2. All excavation within the right-of-way and not under surfacing shall be backfilled by tamping in 6 inch horizontal layers. All surplus material shall be removed from the right-of-way and the excavation finished flush with surrounding natural ground.
3. Lines crossing under surfaced roads and under surfacing cross roads within the right-of-way shall be placed by boring. Boring shall extend from crown line to crown line. Gravity from sewer lines under roadways shall be cast iron pipe.
4. All lines, where practicable, shall be located to cross roadbed at approximately right angles thereto. No lines are to be installed under or within 50 feet of either end of any bridge. No lines shall be placed in any culvert or within 10 feet of the closest point of same.

5. Parallel line will be installed as near the right-of-way lines as is possible and no parallel line will be installed in the roadbed or between the drainage ditch and the roadbed without special permission of the Panola County Commissioners' Court.
6. Operations along roadbeds shall be performed in such manner that all excavated material be kept off the pavement at all times, as well as all operating equipment and materials. No equipment or installation procedures will be used which will damage any road surface or structures. The cost of any repairs to road surface, roadbed, structures or other right-of-way features as a direct result of this installation will be borne by the owner of this line.
7. Barricades, warning signs, lights, and flag man(men) when necessary shall be provided by the contractor or owner. One-half (1/2) of the traveled portion of the road must be open at all times.

General Description of Requested Pipeline Route

CR 3150, Panola County, TX

This will be a temporary freshwater pipeline less than 12" in diameter used for the purposes of well fracturing. The Origin Source is a private fresh water pond where water will be extracted at GPS Point (32°16'8.43"N, 94°11'25.29"W). The disposal source will be at another private fresh water pond at GPS Point (32°17'16.36"N, 94°10'51.27"W).

The Line will enter CR 3150 at GPS Point (32°16'30.34"N, 94°11'31.24"W) and head north along the east side of CR 3150 for 2,520.18 Feet until exiting CR 3150 right of way at GPS Point (32°16'46.21"N, 94°11'9.94"W).

We hope to begin setup as soon as approved. We do not intend to renew after the 90 day period is up. Fracturing usually takes less than 30 days. All landowners have been notified and will be compensated where required.

Total Distance of Line along CR 3150 is: 2,520.18 Feet.

Please call me with any questions or concerns.

VCSO's,

Good morning. I have attached the Claims Spring District Training for April 2019. This calendar is for you to be able to know the dates and place of the training only. The registration for the hotel and training (in LMS) will be sent out at a later date. There is not any other information at this time. I look forward to seeing everyone at the different training sites. Have a good day!
