

**IMPORTANT NOTICE FOR ALL OPERATORS OF M3000
SELF-SERVE FUELING TERMINALS INSTALLED PRIOR TO 2008
SECOND NOTICE**

Panola County Airport
1305 US Highway 79 N
Carthage, TX 75633-4450

Dear Panola County Airport

This letter serves as your second notice that after June 30, 2019, QTPOD will discontinue all product support for M3000 Self-Serve Fueling Terminals that were installed prior to January 1, 2008.

Manufacturing of the M3000 was discontinued in 2017, and as result, new replacement parts from our partners and suppliers are limited, or in some cases no longer available. While we are planning on salvaging parts from returned M3000 units and reconditioning the components as replacement parts, this effort may not yield enough inventory of spare parts to meet demand of the entire installed base.

Thus, we will no longer offer software updates, replacement parts or technical support, including telephone technical support, for your M3000 Self-Serve Fueling Terminal. We are notifying you now, well in advance of the end of support date, so you can plan accordingly.

We regret any inconvenience this announcement may cause; unfortunately, providing support for older units is simply no longer feasible. It is important to note that your unit may continue to operate as normal beyond the end of support date, however, you will not be able to obtain software updates, telephone support or replacement parts for your unit after **June 30, 2019**.

As such, you may want to consider upgrading to the M4000, our newest and award-wining self-serve fueling terminal and take advantage of a special discount we are offering for returned M3000 units. The M4000 was designed with many new technologically-advanced features that make fueling operations easier for your customers and fuel management easier for you. For your convenience, I've included a flyer with information on the M4000.

If you have questions regarding this notice or would like more information regarding the M4000 special discount for M3000 owners, please call or email me at 303.962.3413 or Sales@QTpod.com.

Sincerely,

SUBSCRIPTION SERVICE AGREEMENT

This Subscription Service Agreement ("Agreement") is entered into effective as of Upon Installation, 2019 ("Effective Date"), between QT POD, LLC, an Oregon limited liability company ("QT POD") and Panola County Airport ("Customer"). Customer and QT POD may be referred to in this Agreement individually as a "Party" and collectively as the "Parties."

RECITALS

A. Customer has purchased QT POD's M4000 Self-Serve Terminal ("M4000"), which requires certain subscription services in order to function; and

B. Customer wishes to procure, and QT wishes to provide, the subscription services described below on the terms and conditions specified in this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and representations set forth in this Agreement, the Parties hereby agree as follows:

AGREEMENT

1. Term of Agreement.

This Agreement shall take effect on the Effective Date. This Agreement shall have an initial term of (5) years (invoiced annually) from the Effective Date (the "Initial Term"), unless terminated sooner in accordance with the terms of this Agreement. Thereafter, this Agreement will automatically renew for successive year terms unless either Party gives written notice of its intent not to renew to the other Party at least 90 days before the expiration of the then current term. The Initial Term and any renewal terms shall be collectively referred to as the "Term."

2. License, Services and Fees.

Subject to the terms and subject to the conditions set forth in this Agreement, QT POD agrees to provide cloud-based access and a limited, non-exclusive, non-transferable license to use its proprietary Siteminder Fuel Management Software, together with database hosting services, software updates, 24/7 technical support and an optional parts replacement plan (collectively, "Services"), during the Term, in exchange for the fees specified in Exhibit 1 ("Fees"). The Services will allow Customer to perform fuel management tasks from any computer or tablet with internet connectivity, including: sales transaction detail, account management, fuel inventory management, tax table review, single click invoicing, account detail, basic discounting, schedule assessment, tail/registration number capture, transaction detail log and detailed sales activity review. The Services allow Customer to prepare detailed reports and data is exportable to Microsoft Excel. QT POD will provide the Services via a web-based service interface application that will be provided, defined and determined by QT POD.

3. Responsibilities of QT POD.

3.1 Services. QT POD shall use reasonable efforts to provide the Services in an uninterrupted, continuous fashion. Customer understands and agrees that QT POD's systems may be periodically off line or otherwise inoperable in order for QT POD to perform maintenance, install or test software, or for other commercially reasonable business purposes and that during such time Services may not be provided. Customer further understands and agrees that from time to time QT POD's systems may be off line or otherwise inoperable as a result of the failure of equipment or services provided to QT POD by third parties (for example, public or private telecommunications services or internet nodes or facilities, overall Internet congestion, unavailability of generic Internet services, such as DNS services), and that during such time Services may not be provided. In the event of unforeseen network or

equipment failure, QT POD will use commercially reasonable efforts to restore the Services in a reasonably prompt fashion.

3.2 Modification. QT POD may from time to time, in its sole discretion, modify the manner in which it provides Services, and modify its software and systems, all of which may result in a change in the manner in which QT POD provides the Services, provided, however, that such modifications and/or changes will not degrade the level of, or have a material adverse impact upon the features and functionality of the Services.

3.3 Support. QT POD will offer reasonable technical support as set forth in the Support and Service Level Agreement, attached as Exhibit 2.

4. Responsibilities of Customer.

4.1 Format and Internet Connection. Customer will be responsible for delivering and receiving data to and from QT POD's server(s) in the format required by QT POD and for supplying functional, industry-standard hardware and adequate internet connectivity, including internet connectivity for the M4000 unit. Customer shall also provide QT POD with a static IP address or a specific range of static IP addresses.

4.2 Access to M4000. Customer will provide QT POD with access to the M4000 as may be needed to perform services such as support and software updates, and will otherwise cooperate with QT POD in the performance of its obligations under this Agreement.

4.3 Confidentiality of End User's Data. QT POD will provide encrypted data transmission and secure hosting services, but Customer is solely responsible for implementing security measures, procedures, and standards or any other best practices available, to protect the confidentiality of all data stored or transmitted through or stored on Customer's equipment or servers.

4.4 Updates. QT POD will provide maintenance and upgrades to the Services, but Customer shall provide such access and assistance as may be necessary to accomplish such maintenance or upgrades.

4.5 End User Communications. QT POD will work collaboratively with Customer to resolve operational or performance issues should they arise, but Customer is responsible for communicating with its customers.

4.6 Proper Use. Customer is responsible for using the Services in the manner instructed by QT POD and otherwise in the manner intended. The software used in connection with the Services is QT POD's proprietary software and Customer shall not decompile, disassemble, reverse engineer, modify, adapt, rent, sublicense, distribute or resell if for profit.

5. Terms of Payment.

Fees shall be paid annually in advance. All fees and other charges stated herein are due and payable within thirty (30) days after the date of QT POD's invoice.

6. Taxes.

Fees do not include any applicable federal, state, or local excise, sales, use, value-added, and similar taxes and duties arising in connection with the provision of the Services and this Agreement. Customer is solely responsible for paying all such taxes. Customer may receive the Services without such taxes added if Customer provides QT POD with proper tax exemption certificates.

7. Minimum Technical Specifications.

Customer shall be responsible for providing industry-standard internet connectivity and one or more computers or tablets in order to utilize the Services.

8. Scope and Limitations.

Customer acknowledges that QT POD is responsible only for providing Customer with data transmission. QT POD is not providing any information relating to any credit report, nor should any information provided by QT POD be used to create or modify any credit report. QT POD is not responsible for the operation of Customer's web site(s), or the actions or inaction of any third party or entity, including any bank, processor, financial institution or network, telecommunications carrier, third party software developer or ISP.

9. Indemnification.

9.1 Customer Indemnity. Customer shall indemnify, defend and hold harmless QT POD, and each of its parent companies, subsidiaries and affiliated companies, and each of their respective employees, officers, directors, managers, agents and representatives, from and against any and all claims, demands, liabilities, losses, damages, judgments, costs and expenses, including reasonable attorneys' fees and costs, arising out of or related to Customer's misuse of the Services, data breaches within the Customer's network, or Customer's misconduct or negligence.

9.2 QT POD Indemnity. QT POD shall indemnify, defend and hold harmless Customer, and each of its parent companies, subsidiaries and affiliated companies, and each of their respective employees, officers, directors, managers, agents and representatives, from and against any and all claims, demands, liabilities, losses, damages, judgments, costs and expenses, including reasonable attorneys' fees and costs, arising out of or related to claims that the Services infringe or misappropriate any intellectual property right. In the event of such a claim, or if QT POD reasonably believes that the Service is likely to become the subject of such a claim, then QT POD shall, at its expense: (a) obtain for Customer the right to continue using such Service; (b) replace or modify the Service so that it does not infringe upon or misappropriate such intellectual property right and maintains substantially similar functionality and performance; or, (c) in the event that QT POD is unable or determines, in its reasonable judgment, that it is commercially unreasonable to do either of the aforementioned, QT POD shall terminate this Agreement promptly reimburse to Customer any prepaid Fees for which Subscription Service have not been rendered or provided.

10. Limitation of Liability.

NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, IN NO EVENT WILL EITHER PARTY, NOR WILL ANY OF A PARTY'S MEMBERS, MANAGERS, EMPLOYEES, REPRESENTATIVES, AGENTS, LICENSEES, SUCCESSORS OR ASSIGNS, BE LIABLE OR RESPONSIBLE FOR ANY INDIRECT, CONSEQUENTIAL, SPECIAL, INCIDENTAL OR PUNITIVE DAMAGES, OR ANY LOST PROFITS, IN CONNECTION WITH OR AS A RESULT OF THIS AGREEMENT OR ITS OR ANY OF THEIR CONDUCT OR PERFORMANCE UNDER THIS AGREEMENT, INCLUDING IN CONNECTION WITH DEFECTIVE PRODUCTS, EVEN IF SUCH AMOUNTS ARE OR SHOULD HAVE BEEN REASONABLY FORESEEABLE TO A PARTY OR A PARTY IS OR WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR LOST PROFITS. IF, DESPITE THE FOREGOING PROVISIONS, LIABILITY IS NEVERTHELESS IMPOSED ON A PARTY OR ON ANY OF ITS MEMBERS, MANAGERS, EMPLOYEES, REPRESENTATIVES, AGENTS, LICENSEES, SUCCESSORS OR ASSIGNS, EXCEPT AS EXPRESSLY PROVIDED, WHATEVER THE REASON FOR SUCH IMPOSITION OF LIABILITY (INCLUDING THE CLAIMED INVALIDITY OF ANY EXCLUSION OF LIABILITY HEREUNDER), IN NO EVENT WILL THE AGGREGATE LIABILITY OF A PARTY AND ITS MEMBERS, MANAGERS, EMPLOYEES, REPRESENTATIVES, AGENTS, LICENSEES, SUCCESSORS AND ASSIGNS UNDER OR IN CONNECTION WITH THIS AGREEMENT EXCEED THE TOTAL PRICE PAID BY CUSTOMER UNDER THIS AGREEMENT DURING THE PREVIOUS 12 MONTHS, REGARDLESS OF THE NUMBER OF CLAIMS. THE SERVICE CREDITS SET FORTH IN EXHIBIT 2 SHALL BE CUSTOMER'S SOLE

AND EXCLUSIVE REMEDY FOR QT POD'S FAILURE TO MAINTAIN THE REQUIRED UPTIME PERCENTAGE.

Neither Party shall have the authority to and shall not purport to make any commitments or representations on behalf of the other Party or otherwise to take any actions on behalf of the other Party.

14.2. Notices. Any notice given pursuant to this Agreement shall be in writing and shall be given by personal service or by United States certified mail, return receipt requested, postage prepaid to the addresses appearing at the end of this Agreement, or as changed through written notice to the other Party. Notice given by personal service shall be deemed effective on the date it is delivered to the addressee, and notice mailed shall be deemed effective on the fourth business day following its placement in the mail addressed to the addressee.
