BID PROPOSAL

DATE: June 10, 2020

REFERENCE: Panola County Road & Bridge existing generator relocation

ATTN: Melanie Earle

HAL'S proposes to furnish necessary permits, materials, labor, and tools to provide a complete project.

INCLUDES OR QUALIFICATIONS:

FINANCING IS AVAILABLE

We are now offering 4 levels of indoor air quality including HI PA filtration systems.

- This proposal includes the following:
 - relocate the existing generator to the area where the gas piping is located in front of the maintenance shop
 - Installation of the generator on an ultralight pad.
 - Installation including electrical pipe and wire routed overhead inside the shop out to the service location and connect to the automatic transfer switch
 - Installation of the existing automatic transfer switch at the electric service location
 - Gas connection to the existing gas piping

TOTAL: \$2694.00

- All of our employees are background checked, drugs tested, and continually train on the latest equipment and procedures.
- At this time, Hal's is not certified for warranty repair on the set units. We can only sell, install, and maintain until certification program is resolved.

EXCLUSIONS:

TAX

Purchase of a new generator

Replacement of Gas service or piping

Anything not specifically mentioned in this bid

Any and all concrete cutting or removal.

THANK YOU,

Bruce Whitaker

HAL'S Air conditioning & Electrical Inc.

I, Lee Ann Jones
