RE: Early Voting

The State has extended early voting for this election, I am requesting to hire a 2<sup>nd</sup> temporary worker. I need the 2<sup>nd</sup> worker because Vanessa is only allowed 40 hours per week. The 2<sup>nd</sup> worker will need to cover the additional voting hours. I need this person to begin October 19, 2020 and end on October 30, 2020, at the rate of \$10.00 per hour.

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Loretta Mason".
