If the quote was for \$56,747, why is the invoice for \$59,600?

Connie,

We purchased a Dodge Ram from Grapevine DCJ. They delivered the truck over the weekend so I was not able to look at the paperwork until today. They sent us a 2020 Dodge and the original quote was for a 2021. I have attached all the paper work for this truck. I've also attached the new quote he sent me this morning. Could you let me know which one is in compliance with buyboard?

Thanks,
Melanie Earle
