Thank You . . . For Calling

Carpets loose at seams or along walls or concrete floors, or that have been incorrectly or defectively installed, are cleaned at customer's risk. Carpets that have been exposed to pets may sometimes not be able to deodorize effectively. Any questions concerning our workmanship must be reported within 10 days after completion of work or will be subject to a service charge at our option. WARNING: customer acknowledges being informed and understands that carpet is damp during and after cleaning and that care should be taken in stepping onto non-carpeted surfaces to avoid slipping, and hereby releases Daniels Carpet Care from any and all liability for injuries which might be sustained as a result thereof.
