USA Flag Program

PO Box 653, Carthage 75633

The Rotary Club of Carthage is continuing the legacy of the Shriners in leasing USA flags to individuals and businesses in Carthage and surrounding areas to display our patriotism throughout our community on major holidays. All proceeds go to the Rotary Club of Carthage, TX or our local Foundation to support projects right here in our community such as college scholarships, food banks, parks, etc.

Proposal for Panola County Courthouse:

The Rotary Club of Carthage is proposing a Flag Program at the Panola County Courthouse like the one at Anderson Park in the Carthage downtown square.

- Flags would be supported through donations by individual or business subscribers at \$40 per flag paid to the Rotary Club of Carthage
- Sixty-six (66) flags would be displayed approximately 8 feet apart around the courthouse
- PVC pole holders would be installed 12 inches into the ground at each flag location with a metal green "topper". (The county would request utilities be marked prior to installation and we will coordinate with our contact at the county)
- Volunteers from the Rotary Club of Carthage will place the flags out four times per year covering seven holidays:
 - Presidents' Day
 - Memorial Day, Flag Day, through 4th of July
 - Labor Day and 9/11 Day of Remembrance
 - Veterans' Day
- Flags will be placed in the holders 2-5 days prior to the holiday period and removed 2-5 days after the holiday period

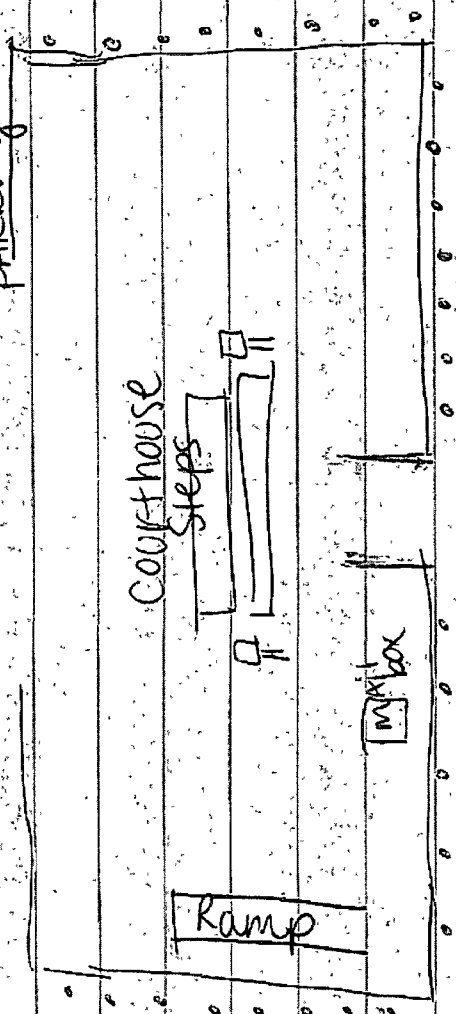

We are asking approval to begin this RCC Flag project for the coming year, 2022.
