October 19<sup>th</sup>, 2021

Dear Bobbie,

Enclosed is a proposal for Steel Fixtures Roller Shelving for your basement.

Once installed these shelves would provide 140 openings for your Preserved Books.

There would be 1 Ea. 3 wide Roller Shelf Units and 2 Ea. 2 wide Roller Shelf Units. Each shelf would hold 20 books with a four-shelf unit on top of a 16-shelf unit.

Since these are heavy, I have figured an installation price from our professional installers. They would meet the truck next year when they are delivering and make sure the shelves are in good shape, take them to your location in the basement, put them in place and then anchor them to the wall for security.

These Roller Shelves are on our TIPS contract for your convenience.

Please note that because of steel shortages these would not be able to be delivered until 2022 which is in your new budget year. Instead of 60 days they are taking more than 90 days.

Thanks for your business and please let me know!

Tommy Ellis,

Sales manager
