RE: Cell Phone

Dear County Judge and County Commissioners:

I am requesting that a cell phone for the Justice of the Peace Precinct 1&4 be added to the county's cell phone plan. There is money in the budget: GL# 100-455-54-200.

I am requesting to use the phone number 903-9xx-xx00, which is the number that is being used by law enforcement agencies, emergency personnel and others to reach me for official business.

I have another personal phone and number.

I would also like to have the understanding/agreement that upon leaving office, that the phone number will be released to me and the phone to remain the property of Panola County.

Very truly,

Larry W. Fields
