Re: Payment of Jurors

Dear Sirs:

In reference to the recent Jury pull that had to be done on **May 12, 2022**, for a Jury Trial In my Court, I am requesting the Court to please pay the jurors per the attached schedule.

Before the jury was pulled in a last minute 'round-up', the clerk did get with the appropriate offices to ensure that nothing further would need to be done to to secure the jurors' payment(s). Nothing was mentioned regarding software or the jury wheel. In the past, there has never been an issue with this method as well. The steps taken for summoning this jury last minute are the steps that are to be done by statute when a jury is requested in an Eviction trial. Time is of the essence and cannot be extended to give long extensions just for a jury to be pulled and summoned. I apologize that everyone got involved and mixed up in this matter-but we tried to make sure none of this would occur before we ever began.

Regardless, there is a list of **5 jurors** who need paid personally. A list of **10** that wish for their charity of choice to be paid instead. Your cooperation in paying each is deeply appreciated.

Thank you for your time and consideration.

Respectfully,

Toni Hughes
