Dear Texas A&M Agrilife Extension Service,

Panola County in an effort to reduce the feral hog population and the damage caused by these animals, is applying for the 2023 County Feral Hog Grant.

If awarded this grant Panola County will increase efforts to eradicate feral hogs in Panola County. Below is a list of programs already in place that the County Extension Agent sponsors each year.

1. September 22, 2022 Panola/Harrison County Wildlife information meeting. Topics to include evaluation lost due to feral hog damage, management options and impacts; Texas Parks and Wildlife Area Wildlife Biologist, presenter.
2. October 6, 2022 Panola Ag Industry Fall Series: Feral Hog Population Control Options - a look at the effectiveness of different trapping methods as well as utilization of guns and dogs, and the impact these methods have on remaining hog population behaviors.

Future program efforts for 2023 will include a multi county wildlife program in September 2023 along with an Ag Industry Fall series in October 2023 covering feral hog issues. Panola County has a "Panola Wildlife and Natural Resource Committee" that meets quarterly to discuss county issues such as feral hog management with the end goal of developing, conducting and evaluating educational programs to assist area landowners.

If awarded this grant a possible proposed budget is as follows:

Night Vision Halo-X 50MM Scope	\$8,459
Springfield Saint Victor 5.56 with Dragonfly	\$1,300
Equipment Supplies (sling, stand, etc.)	\$241

Panola County appreciates your consideration in awarding this Feral Hog Abatement Grant. Please see attached report for incidents involving Feral Hogs.

Sincerely,

David Anderson
County Judge
