2023 Price Announcement

December 5, 2022

Dear Valued Customer,

We would like to thank you for your business and continued support. It is our privilege to be your supplier of choice and we appreciate your loyalty.

We have received aggregate price increases from all-suppliers starting January 1, 2023. Furthermore, we have also received a price increase announcement from the railroads.

Unfortunately, with both the aggregate price increase, railroad increase, higher equipment and parts pricings, our costs have escalated to the point where we will need to pass these costs along to our customers. In order to minimize the impact to our customers, we have diligently managed our cost structure in an effort to keep our customer pricing as competitive as possible.

The price increase will be implemented February 1, 2023 for each of our locations. A price list for each location is included with this letter.

We have also been informed by the railroads and our aggregate suppliers to plan for an additional price increase for July 1, 2023. With the potential of this additional price increase we will only hold our pricing through June 30, 2023. Please contact your sales representative if you are bidding any project that will extend beyond June 30, 2023 and request a quote.

If you have any questions or comments, please contact one of the individuals below:

Ricky Alexander (903) 431-3511
Mark Burrow (903) 720-1423
Eddie Updike (903) 352-0703

We sincerely THANK you for your business and we wish you continued success.

Regards,

Eddie Updike

Dear Commissioners,

I am writing you today regarding the use of the County Court at Law courtroom, Court Administrator Gina Goldman, and Bailiff Gregg Almeida.

As you know, as a licensed attorney I have the unique ability to hear misdemeanors, juvenile matters, probate proceedings, civil issues, as well as appeals from our Justices of the Peace.

Accordingly, I find it necessary to ask this Honorable Court to designate the County Court at Law Courtroom as the courtroom of record for the County Court. I assure you that I will always defer to Judge Rick McPherson on the use of the Courtroom, but I believe it is prudent for the Court to officially designate the courtroom as a dual-purpose court.

Furthermore, I am asking this Court to officially assign Gina Goldman and Gregg Almeida as Court Coordinator and Bailiff for the County Court. While they would help facilitate the business of the County Court, their primary assignment would remain with the County Court at Law (Judge McPherson).

Should the Court have any questions, please do not hesitate to contact me. I believe by approving this, the Court would greatly help effectuate the business of the County Court and help resolve the backlog of cases before me. Currently, I have more than 2,000 (two thousand) misdemeanor cases on my docket.

I appreciate your help and guidance on this matter.

Thank you,

Rodger McLane

Dear Commissioners,

I am writing you today in reference to the cases from my private practice.

Insomuch, I am asking the Court to allow me to file and finalize the probates of four recently deceased clients of mine. This requires the Court to waive any conflict raised by my practicing in front of our local judges.

I do not see any conflict in these matters as they are uncontested probate matters that require filings based on a statutory timeline. My position here at the Courthouse will not be adversely affected by this work as it can all be done outside of normal office hours. My staff at my private office will handle the matters and submit the work to me for approval.

With that, I ask that I be allowed to handle the following client's cases.

County Court at Law

In The Estate of Sharon Thurman Ivey, Deceased;
In The Estate of Nancy Hooker Norton, Deceased;
In The Estate of Sherri Penn Smith, Deceased; and
In The Estate of Donna Spears, Deceased.

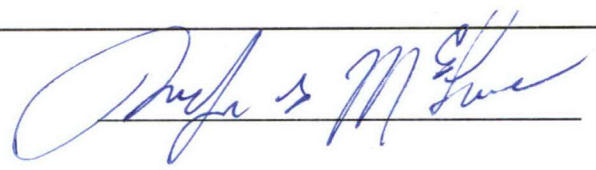

Should the Court have any questions, please do not hesitate to contact me. I appreciate your help and guidance on this matter.

Thank you,

Rodger McLane
