EXTENDED WARRANTY - GENERAL PROVISIONS.

During the coverage period, John Deere will repair or replace, at its option, covered components that were either factory installed components or genuine John Deere replacements installed by an authorized John Deere dealer ("Dealer"). Such repair or replacement will be free of charge for parts and labor, except as otherwise stated below. Under each coverage option, the Extended Warranty period begins when the product's corresponding Standard Warranty ends, and continues (unless terminated under Section E below) until the expiration selected on the face of this document. The coverage period ends after the specified number of months or when the machine's hour meter reaches the specified hour limitation, whichever occurs first.

Extended Warranty is available only through Dealers for John Deere products, and may be purchased at any time before the product's Standard warranty, or Extended Warranty expires. Extended Warranty is not effective unless and until (1) a properly completed application for coverage is submitted to John Deere, (2) and the coverage charge is paid. Once Extended Warranty becomes effective, John Deere's obligations hereunder extend only to the applicant identified on the first page of this document, unless remaining coverage is transferred to a subsequent purchaser of this product in accordance with Section H below.

 - 6.3. In the event of any loss or damage to Subscriber's data, Subscriber's sole and exclusive remedy shall be for Govolution to use commercially reasonable and good faith efforts to replace or restore the lost or damaged data from the latest backup, which Govolution has maintained in accordance with its standard archival procedures.

To the maximum extent permitted by law,** in no event shall Govolution and/or its parents, subsidiaries, affiliates, officers, directors, shareholders, employees and agents be liable, under any circumstances or legal theories whatsoever, to Subscriber or any third party for any loss of profits, revenue or goodwill, loss of savings, loss of use or data, interruption of business, cost of substituted facilities or services, or for any indirect, special, incidental or consequential damages of any character, even if Govolution is aware of the risk of such damages, that result in any way from Subscriber's or any third party's use of or inability to use the Subscribed Services, or that result from errors, defects, omissions, delays in operation or transmission, or any other failure of performance of the Subscribed Services.
 - 9.1. Subscriber understands and agrees that Govolution does not and cannot control the flow of data to or from Govolution's data center and other portions of the Internet. At times, actions or inactions of such third parties can impair or disrupt

connections to the Internet or portions thereof. Govolution disclaims any and all liability resulting from or related to such events. In addition to and not in limitation of the foregoing, Subscriber acknowledges and agrees that the Subscribed Module(s) is intended for access and use by means of web browsing software, and that Govolution does not commit to support any particular browsing platform or technology, including assistive technology.

ATTACHMENT 1 – PRICING SCHEDULE

The pricing options below reflect using payment and merchant services through Govolution’s Velocity Payment System and corporate processor, First American Payment Systems.

OPTION #1 - SERVICE FEE MODEL (CONVENIENCE FEE MODEL)

No Cost Solution to Client

In a Service Fee (Convenience Fee) pricing model, the Customer makes payment for the sum of the principal amount plus an additional fee (“Service Fee”) to cover the cost of the transaction. The Client will not be charged credit card or ACH processing costs. **The Service Fee pricing offered below includes all configuration, deployment, implementation, training, testing, compliance, and customer support and maintenance services.** Govolution offers this pricing to all agencies, departments, and other entities that operate under the governmental structure of the Client. In addition, Govolution will typically absorb any increases in interchange fees mandated by the credit card brand rules. However, Govolution reserves the right to request to increase the charged service fee if the card brands increase their interchange fees substantially.

SERVICE FEE MODEL FOR TAX, FINES, PERMITS – MISCELLANEOUS GOVERNMENT PAYMENTS

Payment Type	Service Fee Per Transaction
Any Velocity Product	2.40% for all Visa, MasterCard, Discover, American Express Credit \$1.00 Minimum \$2.00 for Electronic Check/ACH

- The Client will receive the payment amount settled into an account designated for the specific e-Government application (e.g., personal property tax, real estate tax, permits, etc.). Govolution will retain the service fee.
- Any necessary POS hardware (ex: terminals, swipers and check readers) will be quoted at the prevailing rates plus shipping.

SERVICE FEE (CONVENIENCE FEE) APPLICATIONS - PROVISION OF THE SERVICES

1. Provisions: Govolution shall provide the Services in accordance with the following guidelines:
 - Govolution will charge customer (“Cardholder” or “Customer”) a “Service Fee” for each Card or Electronic Check transaction processed (the “Service Fee”), to be collected in addition to the corresponding Subscriber Payment as part of a unified Card transaction.
 - Except for any fees to be paid by Subscriber as set forth in Attachment 1, Govolution shall not charge the Subscriber an additional fee for Service Fee transactions. Enhancements to the Services or additional Services not provided for in this agreement, and any related fees payable by Subscriber in connection therewith, will be mutually agreed in writing by Provider and Subscriber.
 - With respect to all “refund” Card transactions that are substantiated by a Card holder and approved by an authorized representative of Govolution and Subscriber: (i) Govolution shall refund to the Cardholder the corresponding Subscriber Payment and Service Fee; and (ii) shall debit the Subscriber’s depository bank account (the “Subscriber Bank Account”) for the amount of the corresponding Subscriber Payment.
 - With respect to all “chargeback” Card transactions that are substantiated by a Cardholder and for which Govolution has been charged by the relevant Card Issuer, Govolution shall debit the Subscriber Bank Account for the amount of the corresponding Subscriber Payment.
 - Govolution shall settle Subscriber Payment transactions to the appropriate Card organizations and forward all Subscriber Payments to the Subscriber Bank Account. Govolution shall retain all Service Fees collected by it hereunder. In the event that Govolution is unable to collect all amounts owed by Subscriber hereunder through debiting the Subscriber Bank Account, Subscriber shall promptly pay all owed amounts to Govolution in immediately available funds.
 - Govolution will notify each Customer of the dollar amount of all Subscriber Payments and Service Fees to be charged to his/her Card and obtain the Customer’s approval (electronic or otherwise) of such charges prior to initiating Card authorizations.
 - Govolution will provide Customer with electronic confirmation of Card transactions.
 - Govolution will retain Card authorization logs and transaction records for such period of time as required by applicable law and the regulations of the respective Card organizations.

2. Subscriber’s Obligations: In order to provide the Services as outlined in this agreement, Subscriber shall comply with the following:
 - Prior to Govolution’s commencement of the Services, Subscriber will enter into all applicable merchant agreements and fully adhere to the rules, regulations and operating procedures of the various Card organizations, including without limitation the Payment Card Industry Data Security Standards and rules and regulations governing the use of specific Card logos and marks.
 - Other than permitting Govolution to charge the Service Fees in accordance with this Agreement, Subscriber will not impose any surcharge or other penalty on Card transactions made by Customer for Subscriber Payments.
 - Subscriber will reimburse Govolution for all chargeback actions resulting from overpayments, duplicate or misapplied payments or unauthorized charges that are substantiated by a Cardholder and approved by authorized representatives of Govolution and Subscriber. Subscriber will provide to Govolution all necessary documents and correspondence in connection with such a transaction or other similar refund transaction.
 - Subscriber will establish a reasonable adjustment policy to accommodate adjustments that are required in the normal course of Subscriber’s daily operations.
 - Subscriber will not require, as a condition to making a Subscriber Payment, that a Cardholder agree in any way to waive such person’s rights to dispute the transaction with the Card issuer for legitimate reasons.
 - Subscriber will make a reasonable effort to promote the Services to Customers. These promotions may include publishing the relevant telephone number and URL for Subscriber Website on instruction booklets, tax preparer communications, taxpayer information publications, citations and notices, bills as applicable, and related marketing materials.
 - Subscriber shall promptly reimburse Govolution for any fines, fees or other amounts for which Govolution is charged but that are Subscriber’s responsibility, obligation or liability under any merchant agreement, including without limitation any chargeback amount, chargeback fine or fee, PCI-related fine or fee, Card network fine or penalty, non-sufficient funds fine, penalty or amount, and any other amounts that are Subscriber’s responsibility, obligation or liability under any merchant agreement but for which Govolution is charged.
