Re: Panola County Courthouse

Dear Mr. Selmer:

I am writing you today pursuant to Article 9 §5 of the contract between our two entities to notify you of termination of our agreement only in regards to the Bidding and Construction Services aspect.

This partial termination comes at a unique time for Panola County as we move forward in our capital improvement project. Our time table seems to be moving much faster than we expected. This is wonderful as to the expected completion date but problematic configuring our schedules.

Regardless of this, I will be glad to give and express nothing but positive reviews should anyone inquire as to our working relationship. You and your colleagues have been nothing but helpful during this learning process.

In sum, as stipulated in the contract, this letter shall serve as the required seven days notice of termination as to the Bidding and Construction services provided by you.

If you have any questions, please do not hesitate to contact me.

Thank you,

Rodger G. McLane  
County Judge
