Panola County Commissioners' Court

RE: Purchase of new pollpads

I am writing requesting that the commissioners court allow the Panola County Elections office to use the election service contract fund to purchase new iPads to be used during elections. I have attached a quote from Knowink to this letter in the amount of \$8,600.00.

We were allowed to purchase tablets in 2023 those tablets are not working as we expected them to work. We need the ipads because we know they work more efficiently to help us get voters checked in quicker.

Thank you for your consideration in this matter.

Sincerely,
