RE: Early Voting

I am writing regarding the temporary help for the 2024 General Election. I am requesting that you allow me to hire three temporary workers to work the election due to additional hours mandated by the Secretary of State's office. We will need these workers to start October 21, 2024 and end on November 8, 2024, at the rate of \$12.00 per hour.

Thank you for your consideration in this matter.

Sincerely,
