ATTEST:

County Clerk Bobbie Davis

September 3, 2024

To the Honorable County Commissioners Court
and Management of Panola County, Texas

This letter is provided in connection with our engagement to audit the financial statements and to audit compliance over major federal award programs of Panola County, Texas as of and for the year ended December 31, 2024. Professional standards require that we communicate with you certain items including our responsibilities with regard to the financial statement audit and the planned scope and timing of our audit.

Our Responsibilities

As stated in our engagement letter dated September 3, 2024, we are responsible for conducting our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS), and in accordance with *Government Auditing Standards* of the Comptroller General of the United States of America, the requirements of the Single Audit Act, as amended; and the provisions of the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and if applicable, State of Texas Uniform Grant Management Standards for the purpose of forming and expressing opinions on the financial statements and on major federal award program compliance. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility for supplementary information required by the Government Accounting Standards Board, and included in the document containing the audited financial statements and our report thereon includes only the information identified in our report. We have no responsibility for determining whether the required supplementary information is properly stated.

Our responsibility as it relates to the schedule of expenditures of federal awards is to evaluate its presentation for the purpose of forming and expressing an opinion as to whether it is presented fairly in all material respects in relation to the financial statements as a whole.

Our responsibility as it relates to additional supplementary information is to evaluate its presentation for the purpose of forming and expressing an opinion as to whether the information is fairly stated in all material respects in relation to the financial statements as a whole.

Planned Scope of the Audit

Our audit will include examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. Our audit procedures will also include determining major federal programs and performing the applicable procedures described in the U.S. Office of Management and Budget *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the entity's major federal programs.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements or material noncompliance may not be detected exists, even though the audit is properly planned and performed in accordance with U.S. GAAS, *Government Auditing Standards* of the Comptroller General of the United States of America, the requirements of the Single Audit Act, as amended; and the provisions of the Uniform Guidance.

Our audits will include obtaining an understanding of the entity and its environment, including its internal control, sufficient to assess the risks of material misstatement of the financial statements, the risk of material noncompliance in the major federal awards programs, and as a basis for designing the nature, timing, and extent of further audit procedures. However, we will communicate to you at the conclusion of our audit, significant matters that are relevant to your responsibilities in overseeing the financial reporting process, including any material weaknesses, significant deficiencies, and violation of laws or regulations that come to our attention. Our responsibility as auditors is, of course limited to the period covered by our audit and does not extend to any other periods.

Although we are currently in the planning stage of our audit, we have identified the following significant risks during our audit to date that require special audit consideration:

- Management override of controls
 - Substantive procedures will be performed addressing manual journal entries prepared by management, management's use of accounting estimates, and significant unusual transactions occurring in the fiscal year.
- Improper revenue recognition due to fraud
 - Substantive procedures will be performed to gain assurance over the existence of revenue recognized in the fiscal year.
 - Additional procedures, including a combination of transactional and data-analytic-driven tests, will be performed on revenue cycle and transactions with a higher risk profile.

We will conduct our planning for the audit and will schedule a time to conduct interim field work at the County's offices some time during November or December 2024. We will conduct our final field work beginning April 2025 and we plan to issue our final report to the Commissioners Court in the June 2025 meeting.

This information is intended solely for the information and use of the Commissioners Court and management of Panola County, Texas and is not intended to be and should not be used by anyone other than these specified parties.

September 3, 2024

Honorable County Commissioners Court
and Management of Panola County, Texas
Panola County Courthouse
Carthage, Texas 75633

You have requested that we audit the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Panola County, Texas (County), as of December 31, 2024, and for the year then ended, and the related notes to the financial statements, which collectively comprise the County's basic financial statements as listed in the table of contents of the Annual Comprehensive Financial Report (ACFR).

In addition, we will audit the County's compliance over major federal award programs for the period ended December 31, 2024. We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter. Our audits will be conducted with the objectives of our expressing an opinion on each opinion unit and an opinion on compliance regarding the entity's major federal award programs. The objectives of our audit of the financial statements are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America (GAAS) and, in accordance with Government Auditing Standards, will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We will also assess the County's need to have a State Single Audit and conduct the necessary compliance over those state programs for the period ending December 31, 2024.

The objectives of our compliance audit are to obtain sufficient appropriate audit evidence to form an opinion and report at the level specified in the governmental audit requirement about whether the entity complied in all material respects with the applicable compliance requirements and identify audit and reporting requirements specified in the governmental audit requirement that are supplementary to GAAS and Government Auditing Standards, if any, and perform procedures to address those requirements.

Accounting principles generally accepted in the United States of America require that management's discussion and analysis, detail budgetary comparison information, and schedules of changes in liabilities and related ratios for the County's pension and benefit plans be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the required supplementary information (RSI) in accordance with auditing standards generally accepted in the United States of America, U.S. (GAAS). These limited procedures will consist primarily of inquiries of management regarding their methods of measurement and presentation, and comparing the information for consistency with management's responses to our inquiries. We will not express an opinion or provide any form of assurance on the RSI. The following RSI is required by accounting principles generally accepted in the United States of America. This RSI will be subjected to certain limited procedures but will not be audited:

- 1) Management's Discussion and Analysis.
- 2) Budgetary Information.
- 3) Schedule of Changes in the County's Net Pension Liability and Related Ratios
- 4) Schedule of Employer Contributions
- 5) Schedule of Changes in the County's Net OPEB Liability and Related Ratios – Health Plan
- 6) Schedule of Employer Contributions – Health Plan

- 7) Schedule of Changes in the County's Net OPEB Liability and Related Ratios – Supplemental Death Benefits Plan
- 8) Schedule of Employer Contributions – Supplemental Death Benefits Plan
- 9) Schedule of Revenues, Expenditures, and Changes in Fund Balance – Budget (GAAP Basis) and Actual – General Fund
- 10) Schedule of Revenues, Expenditures, and Changes in Fund Balance – Budget (GAAP Basis) and Actual – Road and Bridge Special Revenue Fund

Supplementary information other than RSI will accompany the County's basic financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the basic financial statements and certain additional procedures, including comparing and reconciling the supplementary information to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on the following supplementary information in relation to the financial statements as a whole:

- 1) Combining Balance Sheets – Non-Major Governmental Funds, Non-Major Special Revenue Funds, and Non-Major Capital Projects Funds
- 2) Combining Statement of Revenues, Expenditures, and Changes in Fund Balances - Non-Major Governmental Funds
- 3) Schedule of Revenues, Expenditures and Changes in Fund Balance – Budget (GAAP Basis) and Actual – Non-Major Governmental Funds
- 4) Combining Statement of Fiduciary Net Position – All Agency Funds
- 5) Combining Statement of Changes in Fiduciary Net Position – All Agency Funds

Also, in connection with the issuance of the ACFR the document we submit to you will include the following other additional information that will not be subjected to the auditing procedures applied in our audit of the financial statements:

- 1) Letter of Transmittal and other introductory information.
- 2) Statistical data.

Schedule of Expenditures of Federal Awards

We will subject the schedule of expenditures of federal awards to the auditing procedures applied in our audit of the basic financial statements and certain additional procedures, including comparing and reconciling the schedule to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on whether the schedule of expenditures of federal awards is presented fairly in all material respects in relation to the financial statements as a whole.

Data Collection Form

Prior to the completion of our engagement, we will complete the sections of the Data Collection Form that are our responsibility. The form will summarize our audit findings, amounts and conclusions. It is management's responsibility to submit a reporting package including financial statements, schedule of expenditure of federal awards, summary schedule of prior audit findings and corrective action plan along with the Data Collection Form to the federal audit clearinghouse. The financial reporting package must be text searchable, unencrypted, and unlocked. Otherwise, the reporting package will not be accepted by the federal audit clearinghouse. We will assist you in the electronic submission and certification. You may request from us copies of our report for you to include with the reporting package submitted to pass-through entities.

The Data Collection Form is required to be submitted within the *earlier* of 30 days after receipt of our auditors' reports or nine months after the end of the audit period, unless specifically waived by a federal cognizant or oversight agency for audits. Data Collection Forms submitted untimely are one of the factors in assessing programs at a higher risk.

Audit of the Financial Statements

We will conduct our audits in accordance GAAS, the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States of America; the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) and, if applicable, in accordance with the State of Texas Uniform Grant Management Standards.

As part of an audit of financial statements in accordance with GAAS, Government Auditing Standards, and if applicable the State of Texas Uniform Grant Management Standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Panola County, Texas's ability to continue as a going concern for a reasonable period of time.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements or noncompliance (whether cause by errors, fraudulent financial reporting, misappropriation of assets, detected abuse, or violations of laws or governmental regulations) may not be detected exists, even though the audit is properly planned and performed in accordance with U.S. GAAS and *Government Auditing Standards* of the Comptroller General of the United States of America and if applicable, State of Texas Uniform Grant Management Standards. Please note that the determination of abuse is subjective and *Government Auditing Standards* does not require auditors to detect abuse.

Our responsibility as auditors is limited to the period covered by our audit and does not extend to any other periods.

We will issue a written report upon completion of our audit of the County's basic financial statements. Our report will be addressed to the commissioner's court of Panola County, Texas. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions, add an emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement. If our opinions on the basic financial statements are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement.

In accordance with the requirements of *Government Auditing Standards*, we will also issue a written report describing the scope of our testing over internal control over financial reporting and over compliance with laws, regulations, and provisions of grants and contracts, including the results of that testing. However, providing an opinion on internal control and compliance over financial reporting will not be an objective of the audit and, therefore, no such opinion will be expressed.

Audit of Major Program Compliance

Our audit of the County's major federal award program(s) compliance will be conducted in accordance with the requirements of the Single Audit Act, as amended; and the provisions of the Uniform Guidance; and will include tests of accounting records, a determination of major programs in accordance with the Uniform Guidance, and other procedures we consider necessary to enable us to express such an opinion on major federal award program compliance and to render the required reports. We cannot provide assurance that an unmodified opinion on compliance will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or withdraw from the engagement.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether material noncompliance with applicable laws and regulations, the provisions of contracts and grant agreements applicable to major federal award programs, and the applicable compliance requirements occurred, whether due to fraud or error, and express an opinion on the entity's compliance based on the audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the entity's compliance with the requirements of the federal programs as a whole.

As part of a compliance audit in accordance with GAAS, in accordance with Government Auditing Standards, and if applicable, State of Texas Uniform Grant Management Standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

Our procedures will consist of determining major federal programs and, performing the applicable procedures described in the U.S. Office of Management and Budget OMB Compliance Supplement for the types of compliance requirements that could have a direct and material effect on each of the entity's major programs, and performing such other procedures as we considers necessary in the circumstances. The purpose of those procedures will be to express an opinion on the entity's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Also, as required by the Uniform Guidance, we will obtain an understanding of the entity's internal control over compliance relevant to the audit in order to design and perform tests of controls to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each of the entity's major federal award programs. Our tests will be less in scope than would be necessary to render an opinion on these controls and, accordingly, no opinion will be expressed in our report. However, we will communicate to you, regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we have identified during the audit.

We will issue a report on compliance that will include an opinion or disclaimer of opinion regarding the entity's major federal award programs, and a report on internal controls over compliance that will report any significant deficiencies and material weaknesses identified; however, such report will not express an opinion on internal control.

Management's Responsibilities

Fees and Timing

Upon acceptance of this engagement letter, we will meet with the County Auditor to map out a schedule for the audit. We expect to begin our audit as soon as mutually convenient after year-end (usually early April 2025) and to issue our reports no later than your first Commissioners Court meeting in June 2025. As part of our engagement, we will consult with you regarding a time during November or December 2024 to conduct interim field work. In addition to the normal audit procedures, we will track the County's fixed asset additions and disposals for 2024 and update the depreciation schedule for purposes of government wide presentation in the financial statements. We will also conduct a year-end observation and test counts (as necessary) of the physical inventory that includes all donated materials.

Kevin R. Cashion, CPA is the engagement partner for the audit services specified in this letter. His responsibilities include supervising Gollob Morgan Peddy PC's services performed as part of this engagement and signing or authorizing another qualified firm representative to sign the audit report.

Our fee for these services will be at our standard hourly rates plus out-of-pocket costs (such as report reproduction, word processing, postage, travel, copies, telephone, etc.). Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. Based on our preliminary estimates, the fee for audit service related to the County's ACFR, including travel, should approximate \$65,000 and should a Single Audit be required, that fee would approximate \$7,500. If we determine that there is a need for a State Single Audit, we estimate the fee to conduct the compliance work and reporting would be \$6,000. Our services will be invoiced monthly as the audit work progresses. Payment of our services will be due within 30 days of each invoice date. A finance charge of 6% simple interest, calculated at 0.5% per month, will be assessed on any unpaid balance after deduction of current payments made within thirty days of the date of billing. In accordance with our firm policies, work may be suspended if your account becomes 45 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. We will notify you immediately of any circumstances we encounter that could significantly affect this initial fee estimate. Whenever possible, we will attempt to use the County's personnel to assist in the preparation of schedules and analyses of accounts. This effort could substantially reduce our time requirements and facilitate the timely conclusion of the audit.

Other Matters

During the course of the engagement, we may communicate with you or your personnel via fax or e-mail, and you should be aware that communication in those mediums contains a risk of misdirected or intercepted communications.

Our firm may transmit confidential information that you provided us to third parties in order to facilitate delivering our services to you. Professional standards prohibit us from being the sole host and/or the sole storage for your financial and non-financial data. As such, it is your responsibility to maintain your original data and records and we cannot be responsible to maintain such original information. By signing this engagement letter, you affirm that you have all the data and records required to make your books and records complete.

Further, we will be available during the year to consult with you on financial management and accounting matters of a routine nature.

During the course of the audit, we may observe opportunities for economy in, or improved controls over, your operations. We will bring such matters to the attention of the appropriate level of management, either orally or in writing.

You agree to inform us of facts that may affect the financial statements of which you may become aware during the period from the date of the auditor's report to the date of the financial statements are issued.

At the conclusion of our audit engagement, we will communicate to the Honorable County Commissioners Court and Management of Panola County, Texas the following findings from the audit:
