RE:
Awarded Vendor Contract - Cynergy Technology
Contract #230105, Technology Solutions Products and Services
Awarded 05/26/2023 effective through 05/31/2028

TO WHOM IT MAY CONCERN:

The Interlocal Purchasing System (TIPS) verifies that Cynergy Technology is an Awarded Vendor for The Interlocal Purchasing System (TIPS), and is authorized to make sales under Contract #230105 where the purchasing Member determines that a purchase is appropriate under the laws and policies of their jurisdiction.

TIPS has reviewed Purchase Order PO047133, dated 10-29-2024 in the amount of \$17457.96 and verified this purchase price to be within the parameters of the identified awarded contract's pricing. This purchase order pricing for Panola County-TX has been approved and forwarded to Cynergy Technology for processing.

While TIPS does all that it can to comply with and exceed the bidding requirements for public entities, because the laws applicable to a purchase vary by entity-type, location, spend amount, purchase type, and the purchaser's local policies, TIPS cannot legally advise any Member/End-User when a TIPS purchase is appropriate. It is always the responsibility of the TIPS Member to review TIPS' processes and determine if a TIPS cooperative procurement is appropriate for any expenditure.

If you have any questions, you may reach me at (866) 839-8477 or by email to tips@tips-usa.com
