Panola County Commissioners' Court

I will be retiring as County Treasurer at the end of 2024 with 2 years remaining in my term of office. I request that the Commissioners' Court appoint my Chief Deputy, Abby Booker to fill these 2 years of my term. Abby has worked for and in my office for 11 years. She has currently been serving as the Payroll Administrator along with all the job duties of being Chief Deputy. Knowing as I do her work ethics and knowledge, I believe this what be a great interest to Panola County citizens and employees.

If you have any questions, Abby would be happy to discuss them with you.

Thank you,

  
Joni Reed
