These terms and conditions are an integral part of JCI's offer and form the basis of any agreement (the "Agreement" resulting from JCI's proposal for the goods and/or services described. By accepting this proposal, Purchaser agrees to be bound by the following terms and conditions :

(1) SCOPE OF WORK. This proposal is based upon the use of straight time labor only. JCI and its subcontractors shall be provided access to the work site during regular business hours, or such other hours as may be requested by JCI, including sufficient areas for staging, mobilization and storage. Plastering, patching and painting are excluded. "In-line" duct and piping devices, including, but not limited to, valves, dampers, humidifiers, wells, taps, flow meters, orifices, etc., if required hereunder to be furnished by Johnson Controls, Inc. (hereinafter referred to as JCI), shall be distributed and installed by others under JCI's supervision but at no additional cost to JCI. Purchaser agrees to provide JCI with required field utilities (electricity, toilets, drinking water, project hoist, elevator service, etc.) without charge. JCI agrees to keep the job site clean of debris arising out of its own operations. JCI's obligation is limited to the scope of work set forth in JCI's proposal and does not include any modifications to the work site under the Americans with Disabilities Act or any other law or building code(s). In no event shall JCI be required to perform any work JCI reasonably believes is outside the scope of work without a written change order signed by Purchaser and JCI. In the performance of the work, if JCI encounters conditions at the work site that are (i) subsurface or otherwise concealed physical conditions that differ materially from those indicated on drawings or (ii) unknown physical or pre-existing conditions of an unusual nature that differ materially from those ordinarily found to exist and generally recognized as inherent in construction activities of the type and character of the work, JCI shall notify Purchaser of such conditions. If such conditions differ materially and cause an increase in JCI's costs of, or time required for, performance of any part of the work, JCI shall be entitled to and Purchaser shall consent by change order to, an equitable adjustment of the contract price, contract time or both. Purchaser shall not charge any retention or back charge JCI for any costs or expenses without JCI's written consent unless specifically noted in the statement of the scope of work or services undertaken by JCI under this Agreement, JCI's obligations under this Agreement expressly exclude any work or service of any nature associated or connected with the identification, abatement, clean up, control, removal, or disposal of environmental hazards or dangerous substances, to include but not be limited to asbestos or PCSs, discovered in or on the premises. Any language or provision of the Agreement elsewhere contained which may authorize or empower the Purchaser to change, modify, or alter the scope of work or services to be performed by JCI shall not operate to compel JCI to perform any work relating to such hazards or substances without JCI's express written consent.

(2) DEPOSIT, INVOICING & PAYMENTS. Purchaser agrees to pay JCI pursuant to the progress billing schedule of values set forth in JCI's proposal. If the schedule of values includes an upfront deposit, it will be paid within 30 days of contract signing and JCI will not commence work until the upfront deposit is received. Customer agrees to pay for materials, goods, and equipment (ordered, delivered, or stored) pursuant to the schedule of values, prior to installation commencement. JCI progress-based billing can also include services performed on-site or off-site. All invoices will be delivered via email, paid via ACH/EFT bank transfer and are due net 30 days from the date of invoice. ACH/EFT bank transfer details will be provided upon contract execution. The proposed total price is contingent on Purchaser agreeing to these payment and invoicing terms.

Waivers of lien will be furnished upon request as the work progresses to the extent payments are received. Invoicing disputes must be identified in writing within 21 days of the date of invoice. Payments of any disputed amounts are due and payable upon resolution. All other undisputed amounts remain due within 30 days from the date of invoice. This Agreement is entered into with the understanding that the services to be provided by JCI are not subject to any local, state, or federal prevailing wage statute. If it is later determined that local, state, or federal prevailing wage rates apply to the services to be provided by JCI, JCI reserves the right to issue a modification or change order to adjust the wage rates to the required prevailing wage rate. Purchaser agrees to pay for the applicable prevailing wage rates. In the event of Purchaser's default, the balance of any outstanding amounts will be immediately due and payable. Payment is a condition precedent to JCI's obligation to perform under the Agreement. Purchaser acknowledges and agrees that timely payments of the full amounts listed on invoices is an essential term of this Agreement and that failure to make payment in full when due is a material breach of this Agreement. Purchaser further acknowledges that if there is any amount outstanding on an invoice, it is material to JCI and will give JCI, without prejudice to any other right or remedy, the right to, without notice: (i) suspend, discontinue or terminate performing any work and/or withhold further deliveries of equipment and other materials, terminate or suspend any unpaid software licenses, and/or suspend JCI's obligations under or terminate this Agreement; and (ii) charge Purchaser interest on the amounts unpaid at a rate equal to the lesser of one and one half (1.5) percent per month or the maximum rate permitted under applicable law, until payment is made in full. JCI's election to continue providing future services does not, in any way diminish JCI's right to terminate or suspend services or exercise any or all rights or remedies under this Agreement. JCI shall not be liable for any damages, claims, expenses, or liabilities arising from or relating to suspension of services for non-payment. In the event that there are exigent circumstances requiring services or JCI otherwise performs services at the premises following suspension, those services shall be governed by the terms of this Agreement unless a separate contract is executed. If Purchaser disputes any late payment notice or JCI's efforts to collect payment, Purchaser shall immediately notify JCI in writing and explain the basis of the dispute. JCI may increase prices upon notice to the Purchaser to reflect increases in material and labor costs. Prices for products covered by this proposal may be adjusted by JCI, upon notice to Purchaser at any time prior to shipment and regardless of Purchaser's acceptance of JCI's proposal or quotation, to reflect any increase in JCI's cost of raw materials (e.g., steel, aluminum) inability to secure Products, changes or increases in law, labor, taxes, duties, tariffs or quotas, acts of government, any similar charges, or to cover any extra, unforeseen and unusual cost elements.

(4) LIMITED WARRANTY. JCI warrants that the equipment manufactured by it shall be free from defects in material and workmanship arising from normal usage for a period of twelve (12) months from delivery of said equipment, or if installed by JCI, for a period of twelve (12) months from installation, whichever occurs first. Alongside this limited warranty, for all new York™ air or water-cooled chillers and/or Metasys™ building automation systems installed in the US and Canada and sold through JCI owned and operated branches, JCI also provides a Year One Service Agreement for such equipment, the scope, limitations, terms and conditions of which are at <https://www.johnsoncontrols.com/yearoneservice> (collectively, "Year One Service"). JCI will not provide a credit against purchase price if offered Year One Service is declined. No warranty is provided for third-party products and equipment installed or furnished by JCI. Such products and equipment are provided with the third-party manufacturer's warranty to the extent available, and JCI will transfer the benefits, together with all limitations, of that manufacturer's warranty to Purchaser. For equipment installed by JCI, if Purchaser provides written notice to JCI of any such defect within thirty (30) days after the appearance or discovery of such defect, JCI shall, at its option, repair or replace the defective equipment. All transportation charges incurred in connection with the warranty for equipment not installed by JCI shall be borne by Purchaser. These warranties do not extend to any equipment which has been repaired by others, abused, altered or misused, or which has not been properly and reasonably maintained. **THESE WARRANTIES ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THOSE OF MERCHANTABILITY AND FITNESS FOR A SPECIFIC PURPOSE.** JCI makes no and specifically disclaims all representations or warranties that the services, products, software or third-party product or software will be secure from cyber threats, hacking or other similar malicious activity, or other similar malicious activity, or will detect the presence of, or eliminate, treat, or mitigate the spread transmission, or outbreak of any pathogen, disease, virus or other contagion, including but not limited to COVID 19.

(5) LIABILITY. To the maximum extent permitted by law, in no event shall JCI and its affiliates and their respective personnel, suppliers and vendors ("JCI Parties") be liable to Purchaser or any third party under any cause of action or theory of liability even if advised of the possibility of such damages, for any: (a) special, incidental, indirect, punitive or consequential damages; (b) loss of business, use, profits, revenues, customer opportunities, anticipated savings or goodwill; (c) business interruption; or (d) data loss or other losses arising from viruses, ransomware, cyber-attacks or failures or interruptions to network systems arising in any manner from the equipment or material furnished or the work performed pursuant to this Agreement. In any case, the entire aggregate liability of the JCI Parties under this Agreement for all damages, losses, causes of action, whether in contract, tort (including negligence), or otherwise, shall be limited to the amount actually received by JCI for the performance of its obligations hereunder.

(6) TAXES/TARIFFS. The price of this proposal does not include duties, sales, use, excise, or other similar taxes, unless required by federal, state or local law. In addition to the stated price, Purchaser shall pay all taxes not legally required to be paid by JCI or, alternatively, shall provide JCI with acceptable tax exemption certificates. JCI shall provide Purchaser with any tax payment certificate upon request and after completion and acceptance of the work. Pricing for products and parts covered by this proposal does not include any amounts for changes in tariffs or other similar charges imposed and/or enacted by a government. At any time prior to shipment, JCI shall be entitled to an increase in time and money for any costs that it incurs directly or indirectly that arise out of or relate to changes in tariffs or similar charges due to such changes.

(7) DELAYS. JCI shall not be liable for any delay in the performance of the work resulting from or attributed to acts or circumstances beyond JCI's control, including, but not limited to, acts of God, fire, riots, labor disputes, conditions of the premises, acts or omissions of the Purchaser, Owner or other Contractors or delays caused by suppliers or subcontractors of JCI.

In the event Purchaser desires to change or accelerate the schedule or the schedule is otherwise accelerated, delayed, or impacted for reasons beyond the control of JCI, JCI shall be entitled to a change order equitably adjusting the compensation of JCI to account for the increased costs associated with such schedule changes.

(10) DISPUTES. JCI shall have the sole and exclusive right to determine whether any dispute, controversy or claim arising out of or relating to the Agreement, or the breach thereof, shall be submitted to a court of law or arbitrated. For Purchasers located in the United States, the laws of Delaware shall govern the validity, enforceability, and interpretation of this Agreement, without regard to conflicts of law principles thereof, and the exclusive venue for any such litigation or arbitration shall be in Milwaukee, Wisconsin. For Purchasers located in Canada, the laws of Ontario shall govern the validity, enforceability, and interpretation of this Agreement, without regard to conflicts of law principles thereof, and the exclusive venue for any such litigation or arbitration shall be in Ontario, Canada. In the event the matter is submitted to a court, JCI and Purchaser hereby agree to waive their right to trial by jury. In the event the matter is submitted to arbitration by JCI, the costs of arbitration shall be borne equally by the parties, and the arbitrator's award may be confirmed and reduced to judgment in any court of competent jurisdiction. If JCI prevails in any collection action. Purchaser will pay all of JCI's reasonable collection costs (including legal fees and expenses). Except as provided below, no claim or cause of action, whether known or unknown, shall be brought by either party against the other more than one year after the claim first arose. Neither party shall indemnify the other against claims, actions, costs, expenses or liabilities to the extent attributable to the actions or omissions of the other party. If the parties are both at fault, the obligation to indemnify shall be proportional to their relative fault.

(13) PATENTS.
