TRAVEL POLICY

Section 152.001 of the Texas Local Government Code grants the Commissioners Court the authority to set travel expenses and other allowances for all county officials and employees. Panola County shall pay for approved travel and training expenses incurred for the purpose of County business, each elected official and employee is responsible to ensure that expenses are reasonable and correct.

The County will allow travel time to be accrued as comp time if traveling after normal working hours of 8:00 a.m. to 5:00 p.m. to the county employee as they will be considered “on the clock” while traveling from Carthage to the destination site and while returning back to Carthage.

9.02 REQUEST FOR CONFERENCE ATTENDANCE

All employees, including elected officials, who are requesting to attend a work-related conference will complete the “Request for Conference Attendance Form” and submit same to the Commissioners Court for Approval before the conference date. Forms are available at the County Auditor’s office.

9.03 TRAVEL, LODGING AND MEAL REIMBURSEMENT

Request for reimbursement will be made on a “Travel Reimbursement Form.” This form is available in the County Auditor’s office. An employee will be reimbursed for reasonable expenses incurred while traveling, provided the employee keeps and submits invoices, receipts, and all other documentation supporting the expenses. Expenses related to parking and tolls can be submitted for reimbursement. No expenses will be reimbursed without proper documentation.

9.04 MILEAGE REIMBURSEMENT

Approved travel in a personal vehicle will be reimbursed at the rate determined by the Internal Revenue Service to and from the Panola County Courthouse to the destination by the most direct route. State mileage figures may be used. Two or more persons traveling to the same location should travel in the same vehicle whenever practical, to control expenses. In all cases travel expenses will be limited to whichever means of travel is least expensive.

9.05 AIR TRAVEL

Travel by air should be at the coach rate and used only when time constraints would preclude driving (this might include the necessity of an overnight stop if driving is used), or when all expenses associated with air travel is not more than 20% more than the total mileage reimbursement, room, and meal requirements necessitated by automobile travel. An employee may elect to use air travel and receive the limits prescribed by the County as partial

reimbursement of the total fare. Employees are urged to use the shuttle busses for transportation to and from airports and hotels.

A copy of the ticket charges must accompany requests for reimbursements and prior approval by the County Judge must be obtained to use air travel by completing a "Justification for Air Travel" form available in the County Judge's office.

9.06 MEALS, LODGING AND MISCELLANEOUS EXPENSES

Meals and Incidentals:

The County will reimburse a county employee for meal expenses up to a maximum of \$65.00 (breakfast, lunch and dinner) per day per employee for out of town travel. Receipts shall be attached as verification. Tips and gratuities will be considered as part of the meal reimbursement rate.

The County will not reimburse for any type of alcoholic beverages and entertainment items (movies, video rentals, in-room movies, tickets to entertainment events, etc.), meals incurred within Panola County or same day business related travel.

Lodging:

The County will pay lodging expenses at a single occupancy rate. If possible, Panola County employees are encouraged to book lodging at the hotel at which the conference, seminar or training session is being held. The maximum cost of hotel or motel accommodations that will be paid by the County for any conference/meeting of local governmental entities or events of County officials will not exceed the regular room rate charge, (as negotiated by the hosting association) for the host hotel or for any designated "overflow/alternate" conference hotel(s).

Lodging expenses shall only be allowed for the actual days of the conference unless, due to distance and/or conference schedule, a night before or a night after stay is deemed appropriate and necessary.

Lodging can be reserved and paid by a county credit card provided by the Treasurer's Office.

Items that will be reimbursed on a hotel statement:

- Daily Room Charges (up to the maximum allowed)
- Necessary Hotel Taxes
- Business Phone Calls
- Hotel Parking Fees

PANOLA COUNTY LONGEVITY POLICY

1. Panola County Longevity pay is for eligible employees and elected officials as a means of encouraging continued commitment to the County. To be eligible, employees must have worked full-time for the County for eight (8) uninterrupted years or more.
2. After eight (8) uninterrupted complete years, Longevity pay will begin the following fiscal year.
3. Longevity pay will be dispersed in one lump-sum before the end of the calendar year.
4. Longevity pay will be calculated based on the number of complete years of continuous service. A break in service resets the longevity calculation to zero.
5. Longevity pay amounts will be calculated for each eligible employee or elected official on December 31st of each year. Checks will be processed prior to the end of the next fiscal year.
6. Employees and elected officials must be employed by Panola County at the time longevity checks are actually issued.
7. A full-time Panola County employee or elected official is one who is paid by Panola County local funds.

SECTION 6 LEAVE TIME

6.01 WORK LEAVE TIME

The employee's supervisor must approve all leave time. Supervisors are required to keep copies of leave slips for time requested. Leave time is entered on each employee's time sheet for that period.

An unauthorized absence time is time away from work that is not authorized by the appropriate supervisor. Employees will not be paid for this type of absence, and unauthorized absences may result in disciplinary action up to and including termination of employment. An employee who fails to contact his or her supervisor and obtain approval for an absence of three or more consecutive days will be considered to have voluntarily resigned employment.

6.02 HOLIDAYS

Panola County pays a certain number of paid holidays each year. These holidays are adopted on an annual basis for the upcoming calendar year by the Panola County Commissioners Court during a scheduled Court meeting, usually in the month of November. Law enforcement personnel receive double pay for approved County holidays unless the Department Head adopts a supplemental policy that provides that, for that law enforcement department, Holiday Pay is a single days' wages. Only full-time employees are eligible for Holiday Pay.

6.03 VACATION LEAVE

Regular full-time employees are eligible for paid vacation leave. Part time employees hired after January 1, 2025 will not accrue vacation leave. Part time employees hired before January 1, 2025 will continue to accrue their vacation at a pro-rated amount. An employee is required to be in continuous employment for 6 months before they are eligible for vacation leave. Upon completion of 6 months employment, full-time employees will be credited with 40 hours vacation leave. On each successive January 1, full-time employees who have been continuously employed for 6 months through 10 years will be credited with 80 hours vacation leave for that calendar year.

On each January 1st, full-time employees who have been continuously employed for 11 years through 15 years will be credited with 100 hours for that calendar year.

On each January 1st, full-time employees who have been continuously employed for more than 15 years will be credited with 120 hours for that calendar year.

On each January 1st, full-time employees who have been continuously employed for more than 20 years will be credited with 160 hours for that calendar year.

If an adopted *Panola County* holiday falls during the period an employee is on vacation, the holiday will not be charged against the vacation balance. If an employee becomes ill while taking vacation leave, the period of illness may be charged against the employee's sick leave balance and not vacation if:

- a. the employee has sick leave available; and

- b. the employee promptly notified his/her supervisor of the illness; and
- c. the employee provides the supervisor with acceptable proof of illness; and
- d. the supervisor gives permission to charge the period of illness to sick leave.

Vacation time must be used during the year in which it is earned and may not be carried over unless specifically approved by the Commissioners Court. Requests for approval will be handled on an individual basis by the Panola County Commissioners Court based on a written request by the employee and a recommendation from the Department Head. All requests to be allowed to carry over vacation leave must be filed with the County Judge by the last Commissioners Court meeting of the year in which the leave was earned.

Employees should submit their requests for vacation leave to their Department Head at least two weeks before the planned vacation. Requests will be subject to approval of the Department Head based on the timeliness of the request and the operating needs of the department.

Each department head or a designee shall maintain vacation records for each employee in that department.

Upon termination of employment for any reason, an employee with accrued unused vacation time will be paid for such time at the employee's then current pay rate. An employee will not be paid for unused vacation time while still employed by *Panola County*.

6.04 SICK LEAVE

Regular full-time employees are eligible for paid sick leave, accruing at a rate equal to 8 hours per month. 10 hours per month for Road & Bridge employees. The maximum sick leave accrual is 1080 hours. Once maxed, employees will no longer accrue sick leave until the balance is below the maximum.

Part-time employees hired after January 1, 2025 will not accrue sick leave. Part time employees hired before January 1, 2025 will continue to accrue sick leave at a pro-rated amount equal to 4.8 hours per month or 6 hours per month for Road & Bridge employees. The maximum sick leave accrual is 648 hours. Once maxed, employees will no longer accrue sick leave until the balance is below the maximum.

Sick leave may be used, when it has accrued, if the employee misses work for personal illness or mental incapacity, health care appointments or treatments, medical quarantine, or for personal care for members of his/her immediate family during illness or the health care appointments. Immediate family members include the employee's spouse, children (including step children and any foster children placed with the employee), and parents (including father-in-law and mother-in-law).

An employee will be responsible for notifying their supervisor as early as is practical on the first day of sick leave absence and request that approved sick leave be granted. If more than one day of sick leave is needed, the employee will be responsible for notifying their supervisor of the
