County Auditor
Panola County
110 S. Sycamore St.
Carthage, TX 75633

Dear Mrs. Stacy,

I am formally submitting my letter of resignation from the position of Assistant Auditor with the Panola County Auditor's Office. My last day of employment will be July 11, 2025.

I appreciate the opportunity you gave me to not just work for an entity that serves our community, but also in such a diversified career field. I never would have imagined that the Auditor's Office would have become such a blessing, but it has. We have a saying in our household, "good is good, until it hinders what is best". Therefore, I believe, and God willing, the timing is now to informally retire to joywork.

Thank you for your mentorship and support. Your friendship is one of the many relationships built over the last five and a half years that I will cherish. I will work diligently to ensure this transition is as seamless as possible.

Sincerely,

A handwritten signature in cursive script that reads "Christa Chatman".

RE: CSCD Retiree Insurance

Panola County Commissioners' Court

Commissioners,

In 2003, The 123rd Adult Probation District Director, Rick Wilkinson retired. All adult probation employees were on Panola County Health Insurance at this time. Later in 2003 the State of Texas changed the protocol and adult probation employees received state health insurance through ERS.

This event left the Adult Probation budget continuing to pay Panola County for the retiree's insurance only.

The Panola County CSCD Department, now reimburses the Panola County Retiree Health Insurance Benefits Trust fund, monthly for the premium for this one retiree.

The Panola County Retiree Health Insurance Benefits Trust is funded through a percentage of payroll each pay period.

With no other employees from the CSCD participating in our insurance, I would like to recommend that reimbursement to the trust cease. The effective date of this change would be the FY 25 CSCD budget year (Sept 2024- August 2025).

The cost of the County's insurance for this retiree has become a burden to the shrinking funding provided to the CSCD by the State of Texas.

If you have any questions or concerns, please let me know.

Sincerely,

Jennifer Stacy
Panola County Auditor

Mickey Dorman, County Clerk

**PANOLA COUNTY, TEXAS
RETIREE HEALTH BENEFITS TRUST**

This Trust Agreement ("Trust Agreement") is made as of the 26th day of November, 2007 by Panola County, Texas (the "County"), as settlor, for the benefit of current and future participants ("Beneficiaries") in the County's retiree group medical insurance continuation plan (the "Retiree Medical Benefits Plan") and the undersigned Trustees.

RECITALS:

A. For approximately 25 years, the County has provided certain group medical insurance continuation benefits to retirees of the County on a "pay-as-you-go" basis.

B. In June 2004, the Government Accounting Standards Board adopted Statement No. 45 ("GASB No. 45") with respect to the accounting and financial reporting by governmental employers for post-employment benefits other than pensions ("OPEB").

C. GASB No. 45 contains provisions allowing governmental entity employers to create an irrevocable trust to hold funds for the benefit of their OPEB plans in order to favorably affect their reporting obligations under GASB No. 45, and the County desires to utilize such provisions.

NOW, THEREFORE, the County or Settlor does hereby grant, assign and deliver unto the Trustees the sum of \$100, the receipt of which is acknowledged by the Trustees, to have and to hold in trust as hereinafter provided, such funds and all other funds and property which may hereafter be received by the Trustees as additions to the Trust Estate pursuant to this Trust Agreement, to be utilized by the Trustees to accomplish the purposes the Trust hereby created. In furtherance of such purposes, the County and the Trustees agree as follows:

ARTICLE I
DEFINITIONS

As used herein, the following terms shall have the meanings indicated.

1.01 "Beneficiaries" shall mean the current and future participants in the County's Retiree Medical Benefits Plan.

1.02 "County" means the County of Panola, Texas.

1.03 "GASB No. 45" shall mean Government Accounting Standards Board Statement No. 45 adopted in June 2004, as same may be revised or amended from time to time.

1.04 "Retiree Medical Benefits Plan" shall mean the County's practice of continuing medical insurance for its retirees (including persons entitled to disability retirement benefits) and their spouses, dependents and surviving spouses of retirees, as same may be revised or amended from time to time by action of the County's Commissioners Court.

1.05 "Trust" shall mean the Trust created pursuant to the Trust Agreement.

1.06 "Trust Estate" shall mean the initial contribution by the County to the Trustees at the time of creation of the Trust and all additions thereto and earnings thereon.

1.07 "Trustees" shall mean the members of the Panola County Commissioners Court, as same may be constituted from time to time.

ARTICLE II
CREATION AND PURPOSE OF TRUST

2.01 Creation of Trust. There is hereby created an irrevocable trust for the benefit of the Beneficiaries, being current and future participants in the County's Retiree Medical Benefits Plan. The sum of \$100 shall be the initial Trust Estate of the Trust.

2.02 Purpose. The purpose of the Trust shall be (i) to pay insurance premiums on group health insurance for the benefit of Beneficiaries to the extent provided in the Retiree Medical Benefits Plan and to pay any other health benefits as may become available to

participants in the Retiree Medical Benefits Plan, in each case, only to the extent the Trustees determine it is appropriate and advisable to do so; (ii) receive group health medical premiums paid by retirees, spouses of retirees, dependents and surviving spouses of County retirees participating in the Retiree Medical Benefits Plan, (iii) to receive such other funds as the County or others may elect to contribute to the Trust; and (iv) to pay any liabilities and expenses incurred in carrying out the purposes of the Trust. No portion of the Trust Estate may be used or be available to pay creditors of the County.

2.03 Future Annual Contributions by County. It is anticipated that the County will make additional contributions to the Trust in order to fund all or part of the "Past Service Liability" and the "Annual Required Contribution" (as defined in GASB No. 45) of its Retiree Medical Benefits Plan under GASB No. 45. However, the County shall have no obligation to do so as a result of this Trust Agreement. The Trustees acknowledge that this Trust Agreement allows the County to elect not to contribute any portion of such Annual Required Contribution to the Trustees of this Trust and to make any changes to benefits under the Retiree Medical Benefits Plan that the County considers appropriate.

ARTICLE III **DURATION OF TRUST**

The Trust shall terminate upon the earliest of the following having occurred: (i) all Beneficiaries have received all benefits which they are eligible to receive under the terms of the Retiree Medical Benefits Plan, (ii) the Trust Estate has been exhausted and there are no prospects for it being replenished, or (iii) the Trust fails for any reason or is terminated by operation of law. For purposes of clause (i) above, it is understood that the County may in the future eliminate retiree medical benefits to (a) new employees, (b) persons who are not currently retired, (c) persons who are not currently eligible to retire, and (d) retirees. As a result, it may be that no new retirees will be added to the Retiree Medical Benefits Plan. If that occurs at some future

date, there will be no surviving retirees participating in the Retiree Medical Benefits Plan and the Trust will terminate pursuant to clause (i). It is also acknowledged that the County may in the future terminate the Retiree Medical Benefits Plan if the United States or the State of Texas adopts an adequate retiree medical benefits program in which the County's employees and/or retirees (including persons entitled to disability retirement benefits) and their dependents and surviving spouses of retirees may participate. In such situation, the Trust would also terminate pursuant to clause (i). Upon termination of the Trust, the Trustees shall wind-up the Trust as provided in Article IX, and any remaining portion of the Trust Estate shall be distributed to the County.

ARTICLE IV
THE TRUSTEES; OFFICERS, EXPENSES AND MEETINGS OF TRUSTEES

4.01 Trustees. The Trustees are the members of the Panola County Commissioners Court, as same may be constituted from time to time. The term of each Trustee is contemporaneous with his or her term of office as a member of the Panola County Commissioners Court. Whenever a Trustee ceases to be a member of the Panola County Commissioners Court, the person succeeding him or her in office will serve as a successor Trustee of the Trust.

4.02 Officers. The County Judge shall be the Chair. The Judge Pro-Tem shall be the Vice Chair, and the County Clerk shall be the Secretary. The Chair shall preside at meetings of the Trustees and shall have all such other powers as are conferred herein or by majority vote of the Trustees. The Vice Chair shall preside at meetings of the Trustees whenever the Chair is absent. The Chair (or Vice Chair in the absence of the Chair) will prepare meeting agendas and give notice of meetings to the Trustees. The Secretary shall keep the minutes of the meetings of the Trustees.

4.03 Expenses of Trustees. The Trustees shall be reimbursed for all reasonable and necessary expenses incurred by them in the performance of their duties but will otherwise

receive no compensation for their service as Trustees. Such restriction on compensation shall not affect the right of the Trustees to receive their compensation as Commissioners of the County Court or as County Judge.

4.04 Meetings. A meeting of the Trustees may be called by the Chair or on written request to the Chair by two or more Trustees. Trustees shall be given at least three (3) days' written notice of any meeting. For purposes of this section, electronic mail notice or fax notice is written notice. Waiver of notice by a Trustee may be used to satisfy the obligation to give notice. Participation in a meeting by a Trustee, other than for the purpose of objecting to absence of the required prior notice, shall constitute waiver of notice by the Trustee so participating. Notwithstanding the foregoing, all meetings of the Trustees shall be called and held in accordance with the Texas Open Meetings Act.

ARTICLE V
RIGHTS, POWERS, AND DUTIES OF TRUSTEES; QUORUM AND VOTING

5.01 Rights, Powers, and Duties. In addition to all other powers and duties conferred on them by this Trust Agreement and imposed or authorized by law, the Trustees shall have the following powers and duties:

1. The Trustees shall carry out all of the duties necessary for the proper operation and administration of the Trust on behalf of the covered persons and shall have all the powers necessary and desirable for the effective administration of the affairs of the Trust.
2. The Trustees have the general power to make and enter into all contracts, leases, and agreements necessary or convenient to carry out any of the powers granted by this Trust document or by law or to effectuate the purpose of the Trust. All such contracts, leases, and agreements or any other legal documents herein authorized shall be approved by the Trustees and signed by the Chair or Vice Chair on behalf

- of the Trust. The Trustees may also designate another Trustee to sign such documents.
3. The Trustees shall use the Trust's funds to accomplish the purpose of the Trust, as described in Article II, and to operate and administer the Trust solely in the interest of the Beneficiaries and the Retiree Medical Benefits Plan. The amount of any payments for the benefit of the Retiree Medical Benefits Plan and/or Beneficiaries shall be subject to the reasonable discretion of the Trustees after considering all relevant factors, including but not limited to the financial circumstances of the County.
 4. The Trustees may accept contributions to the Trust Estate from any source.
 5. The Trustees shall arrange for the investing of the funds of the Trust according to the requirements of the Texas Trust Code, the Trust's policies and procedures and all legal requirements applicable to investments by Texas counties. The Trustees may hire money managers and shall adopt an investment policy for their own use and that of their agents in making investments. The Trustees shall select a depository for the Trust's funds. The Trustees shall designate the County's Treasurer, the County Clerk and the County Auditor as signatories for the Trust's depository account(s). In making disbursements of Trust funds, the Trustees shall utilize the County officers, and such officers shall follow the same approval and disbursement procedures as are utilized when the County obtains approval for and makes disbursements of County funds.
 6. The Trustees may purchase out of the Trust funds insurance for the Trustees and any other fiduciaries appointed by the Trustees and for the Trust itself to cover liability or losses occurring by reason of the act or omission of any one or more of

the Trustees or any other fiduciary appointed by them. Any insurance purchased by the Trustees must give the insurer recourse against the Trustees or other fiduciaries concerned for breach of any fiduciary obligation or fiduciary duty owed to the Trust.

7. The Trustees shall arrange for proper accounting and reporting procedures for the Trust's funds and shall also provide for an annual audit of the Trust's financial affairs by a certified public accountant. Such annual audit of the Trust may be conducted as a part of the annual audit of the County's financial statements.
8. The Trustees may retain legal counsel to represent the Trust and the Trustees in all legal proceedings as well as to advise the Trust and the Trustees on all matters pertaining to the operation and administration of the Trust.
9. Upon termination of the Trust, the Trustees shall provide for the payment of Trust obligations, debts, losses, and other liabilities.
10. The Trustees shall have the power to acquire, by purchase or otherwise, retain, invest, reinvest, and manage investments acquired with the Trust Estate; to sell, exchange, encumber, or otherwise dispose of any asset of the Trust, publicly or privately, wholly or partly for cash or credit, without appraisal, and to give options for those purposes; to abandon, compromise, contest, and arbitrate claims; to hold title in the name of a nominee; to adopt policies and regulations for the efficient operation of the Trust; to determine all matters of trust accounting as established by controlling law or customary practices; to set up and maintain reasonable reserves for expenses; to employ agents, accountants, brokers, attorneys-in-fact, attorneys-at-law, tax specialists, realtors, investment counsel, and other assistants and advisers; to delegate powers and duties to other persons, partnerships, corporations, and financial

or business organizations; and to exercise any of the rights of trustees under the Texas Trust Code; provided, however, any investment of the Trust Estate shall be in accordance with the Public Funds Investment Act, Chapter 2256, Texas Government Code, as presently written, subsequently amended, or hereafter re-codified, and the County's Investment Policy as promulgated thereunder.

5.02 Quorum and Voting. A majority of the Trustees shall constitute a quorum for the transaction of business at any meeting of the Trustees, and the vote of a majority of the Trustees present shall be required for approval of any action at such meeting. The vote of such majority of the Trustees at such meeting shall constitute action of the Trustees as a group.

ARTICLE VI **BENEFICIARIES**

The Beneficiaries of the Trust are the current and future participants in the Retiree Medical Benefits Plan. No Beneficiary shall have any claim against the Trust Estate. The rights and interests of the Beneficiaries are limited to the health insurance continuation benefits (or any other benefits as may be available in the future) provided to participants in the County's Retiree Health Benefits Plan, as same may be amended from time to time by the County's Commissioners Court. Unless required to be provided under the Texas Open Records Act, beneficiaries shall have no right to inspect the books and records of the Trust but shall be entitled to receive copies of any financial statements of the Trust which are made publicly available by the Trustees. Beneficiaries shall not have a right to demand an accounting from the Trustees under the Texas Trust Code.

ARTICLE VII
TRUST FUNDS

The Trust Estate consists of the funds initially contributed to the Trustees to institute this Trust, future contributions by the County, investment income, and any other money or property which shall come into the hands of the Trustees in connection with the administration of the Trust. The Trustees may use the Trust's funds as follows:

1. to pay all expenses which the Trustees consider necessary in establishing the Trust and in administering the Trust and all reasonable expenses incurred by the Trustees in the performance of their duties;
2. to pay (i) premiums on any insurance policies obtained for participants in the Retiree Medical Benefits Plan, and (ii) any other benefits payable to participants in the Retiree Medical Benefits Plan;

Notwithstanding the foregoing, the Trustees shall have no power to terminate this Trust Agreement

or to change the purposes of the Trust. Beneficiaries of the Trust shall have no right to amend this Trust, and their approval shall not be a condition or requirement for an authorized amendment or modification by the Trustees.

Subscription Terms and Conditions

These Subscription Terms and Conditions (the "Subscription Terms") and the signed Subscription Order Form to which these Subscription Terms are attached or otherwise incorporated (the "Order Form", and together with the Subscription Terms, collectively, the "Agreement"), establish the entire agreement between Easy Ice, LLC, a Delaware limited liability company ("Easy Ice") and the customer named in the Order Form ("Customer") with respect to Easy Ice's rental of the Equipment, and provision of any other goods and/or services, to Customer under the Order Form.

WHEREAS, Easy Ice desires to make certain equipment available on-site at Customer's business location and provide certain services pursuant to the terms and conditions set forth herein below and Customer desires to enter into a subscription for such equipment and service from Easy Ice pursuant to the terms and conditions set forth herein below; NOW THEREFORE, for and in consideration of the mutual promises, covenants and conditions set forth herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

As of the Commencement Date set forth in the Order Form, Easy Ice hereby agrees to install at Customer's business location the equipment listed in the Order Form (collectively, the "Equipment").

1. The term of this Agreement shall commence as of the installation date of the Equipment ("Commencement Date") and shall continue for 12 months until terminated in accordance with the terms of Section 9 or 10 below. The Setup Fee defined in the Order Form which is non-refundable and includes all applicable taxes (sales, use, or similar taxes) shall be due and payable in advance of Equipment installation. Customer acknowledges that the tax rate may periodically change as determined by government entities.
2. When the Equipment is installed, the first month's pro-rated Subscription Payment, including all applicable taxes (sales, use, or similar taxes), shall be due and payable. The first month's pro-rated Subscription Payment amount will be calculated by multiplying the daily rate, calculated by dividing the Monthly Subscription Payment amount by 30, by the number of days the Customer has the benefit of the Equipment in the partial month. A Monthly Subscription Payment, which includes all applicable taxes (sales, use, or similar taxes), shall be due and payable by Customer as of the first day of each month while the Agreement continues. An approved Payment method will be established by Customer through a separately executed Payment Authorization Form.
3. Customer acknowledges that it will use the Equipment in a manner consistent with all federal, state, and local government agency guidelines and laws and that all employees will operate the equipment consistent with the equipment manufacturer's guidelines. Customer shall pay all applicable taxes with respect to income generated by its use of the Equipment and any applicable property tax for the Equipment.
4. Customer agrees that it will provide at its own expense water, electricity, drainage, and operating temperatures as specified by the equipment manufacturer. Customer acknowledges that ice production of Equipment will vary with operating temperature (i.e., lower output at higher air/water temperatures) and Customer accepts the equipment manufacturer's published production standards as acceptable performance of the ice making Equipment.
5. Customer hereby acknowledges and agrees that it shall take normal care of the Equipment as if it owned the Equipment, and it shall keep the Equipment's exterior clean, engage in weekly surface and bin cleanings, and keep the Equipment's air filter clean. Customer further agrees that it will not relocate the machine nor will it make or authorize anyone else to make repairs, alterations, or additions to the Equipment. If Customer requires Equipment to be moved for any reason (including temporary repositioning for soda fountain or other equipment cleaning/repair), Customer will pay Easy Ice to perform such work. Customer acknowledges and agrees that it shall pay Easy Ice for any expenses Easy Ice incurs to repair or replace Equipment that has been lost or damaged due to abusive or non-standard use, riot, crime, fire, flood, excessive heat, freezing temperatures, natural disaster, or other acts of God.
6. Easy Ice will install all Equipment, make all necessary connections, conduct two preventive maintenance service calls per year, and provide all service and parts (including replacement water filters) such that the installed Equipment performs according to the manufacturer's production standards under conditions of normal wear and tear at no additional expense to Customer provided Customer provides the conditions noted in Section 4 and grants Easy Ice access to the equipment during normal business hours. If it is determined that the performance issue is a result of the Customer's failure to provide the conditions described in Section 4 or operator error, or if it is determined the equipment is performing to the manufacturer's standards, the Customer will be responsible to pay Easy Ice for related service calls on a time and materials basis.
7. If the Equipment fails to perform to the manufacturer's production standards due to normal wear and tear, upon proper notification, Easy Ice will either a) provide standard packaged ice in a quantity consistent with Equipment's production capacity (i.e. not flaked or cubelet ice) at no charge or b) reimburse Customer for the purchase of standard packaged ice provided Easy Ice issued written approval (via fax or email) for such reimbursement prior to Customer's purchase of ice, until the Equipment has been repaired or replaced provided the Customer has continuously provided the conditions noted in Section 4. If it is determined that the performance issue is a result of the Customer's failure to provide the conditions described in Section 4 or operator error, or if it is determined the equipment is performing to the manufacturer's standards, the Customer will be responsible to pay for the packaged ice based on the quantity delivered.
8. Customer hereby acknowledges and agrees that the Equipment is and shall at all times during the term of this Agreement remain, the

property of Easy Ice, and Easy Ice's employees and agents shall have the right to enter upon the premises of Customer where the Equipment is located to inspect and service the Equipment.

9. After completion of the initial 12-month term, either party may provide thirty (30) days' written notice to the other of its intention to terminate the Agreement, whereupon Easy Ice's employees and agents shall have the right at the end of the thirty (30) day notice period (or such earlier date as the parties shall agree) to enter upon the premises of Customer where the Equipment is located and remove such Equipment without additional permission of Customer.
10. In the event Customer fails for any reason to make any payments owed to Easy Ice when due, Customer hereby acknowledges and agrees the Agreement shall be deemed to have automatically terminated and that Easy Ice's employees and agents shall have the right to enter upon the premises of Customer where the Equipment is located and remove such Equipment without additional permission of Customer or necessity of any legal action. In the event that Easy Ice removes its Equipment from Customer's location due to non-payment, and the initial 12-month term has been completed, this Subscription shall be deemed to have automatically terminated; and that Customer will owe Easy Ice payment for 30 days subscription from the date the equipment is removed. In the event that Easy Ice removes its Equipment from Customer's location due to non-payment or Customer's request, and the initial 12-month term has not been completed, the Customer will pay Easy Ice for all the remaining months' Subscription Payments within 30 days of removal of the Equipment. After such remaining Subscription Payments have been made, Subscription shall be deemed to have automatically terminated.
11. Subject to Easy Ice's obligations set forth in Sections 6 & 7, Customer acknowledges and agrees that Easy Ice is providing the Equipment "as is" and without any warranty. Easy Ice hereby disclaims all warranties with respect to the Equipment, whether express or implied, including but not limited to any implied warranties of merchantability, fitness for a particular purpose, and non-infringement. Customer specifically acknowledges and agrees that Easy Ice shall not be responsible for any injury to anyone or damage to any property. In no event shall Easy Ice be liable for any direct, indirect, punitive, incidental, special, or consequential damages whatsoever arising out of or connected with the use or misuse of the Equipment or failure of the Equipment to perform as intended.
12. This Agreement and all acts and transactions pursuant hereto and the rights and obligations of the parties hereto shall be governed, construed, and interpreted in accordance with the laws of the State of Delaware, without giving effect to principles of conflicts of law.
13. This Agreement shall bind and inure to the benefit of the parties hereto and their respective successors and assigns. Notwithstanding the foregoing, Customer shall not assign any of its rights nor delegate any of its obligations hereunder without the prior written consent of Easy Ice.
14. This Agreement may be modified or amended only by a separately signed Subscription Agreement Addendum.

Non-Standard Drain Disclaimer

Subscriber has requested Easy Ice to run the ice machine and bin drains to a non-gravity flow floor drain, i.e. Non-standard Drain (NSD). Easy Ice has agreed to this arrangement and will provide Subscriber with product and method recommendations based on Subscriber requests. Notwithstanding the foregoing, Subscriber specifically acknowledges that unless otherwise stated, they are responsible for the purchase and maintenance of any parts, supplies, and labor required to implement the NSD. Easy Ice disclaims all warranties with respect to the NSD parts and supplies provided or installed by Easy Ice, whether express or implied, including but not limited to any implied warranties of merchantability, fitness for a particular purpose, and non-infringement. Subscriber also acknowledges that Easy Ice is not responsible for the use or misuse of the parts and supplies in any manner, and Easy Ice will not be responsible for any injury to anyone or damage to any property caused by the failure of the NSD. Subscriber further acknowledges they have been informed of the following:

- 1) If an **External Drain Pump** is used, Subscriber acknowledges they understand that while drain pumps are generally reliable, they are prone to sudden failure, causing water to run on to the floor which could possibly cause damage. Because these pumps cannot be repaired, Subscriber will be responsible for any damage to equipment, persons, or facility as well as the cost of replacing the pump.
- 2) If an **External or Transfer Drain** is used, Subscriber acknowledges they are responsible to ensure the External or Transfer Drain meets local codes and that they understand that transfer drains can plug and dump water on to the floor which could possibly cause property damage. Further, if the drain water is released outside the building, Subscriber acknowledges that it can cause unpredictable pooling or water flow resulting in potential structural damage, soil erosion, or safety hazards. Subscriber will be responsible for any damage to equipment, persons, or facility as well as the cost of repairing or relocating External or Transfer Drain.
- 3) If a **Manufacturer's Optional Internal Drain Pump** is required, it will be treated as a part of the equipment covered by the Subscription, however, Subscriber acknowledges they understand that while drain pumps are generally reliable, they are prone to sudden failure, causing water to run on to the floor which could possibly cause damage and that Subscriber will be responsible for any damage to equipment, persons, or facility.

Minimum Terms

Your subscription is effective upon the date we process your order ("Effective Date") and Monthly Charges will be prorated for the number of days remaining in that month, if any. Your subscription will continue for the number of months listed in the Minimum Term column above plus any Bridge Term that may be outlined above counting from the first day of the month following the Effective Date. Your Monthly Charges during the first twelve (12) months of the Minimum Term are as set forth above. If your Minimum Term is longer than 12 months, then your Monthly Charges for each year of the Minimum Term are displayed in the Attachment to the Order Form.

Post Minimum Terms

Your subscription will automatically renew at the end of the Minimum Term. Each Automatic Renewal Term will be 12 months in length ("Automatic Renewal Term"), and we will notify you of any change in the Monthly Charges at least 60 days before each Automatic Renewal Term starts. You are also responsible for all Excluded Charges.

Federal government subscribers that chose a multi-year Minimum Term, those additional years will be implemented at your option pursuant to federal law. Either of us may cancel the Automatic Renewal Term by sending notice in writing at least 30 days before an Automatic Renewal Term begins. Send your notice of cancellation to Customer Service, 610 Opperman Drive., P.O. Box 64833, Eagan, MN 55123-1803.

Banded Product Subscriptions. You certify your total number of attorneys (full-time and part-time partners, shareholders, associates, contract or staff attorneys, of counsel, and the like), corporate users, personnel or full-time-equivalent students is indicated in this Order Form. Our pricing for banded products is made in reliance upon your certification. If we learn that the actual number is greater or increases at any time, we reserve the right to increase your charges to the market rate for all of your attorneys.

Miscellaneous

If, at any time during the Minimum Term or the Renewal Term, there is a material change in your organizational structure including, but not limited to merger, acquisitions, combination, significant increase in the number of attorneys at a location covered by the agreement, divestitures, downsizing or dissolution, we will modify your rates proportionally. If you acquire the assets of, or attorneys from, another entity that is a current subscriber, you assume all obligations under the agreements that apply to those assets and attorneys, and you will pay the invoiced charges on both those agreements as they become due, until a superseding agreement is negotiated in good faith.

Charges, Payments & Taxes. You agree to pay all charges in full within 30 days of the date of invoice. You are responsible for any applicable sales, use, value added tax (VAT), etc. unless you are tax exempt. If you are a non-government customer and fail to pay your invoiced charges, you are responsible for collection costs including attorneys' fees.

Excluded Charges And Schedule A Rates. If you access products or services that are not included in your subscription you will be charged our then-current rate ("Excluded Charges"). Excluded Charges will be invoiced and due with your next payment. For your reference, the current Excluded Charges schedules are located in the below link. Excluded Charges may change from time-to-time upon 30 days written or online notice.
