## **NOTES TO THE SALARY SCHEDULE**

Any positions which reflect hourly rates and salaries in excess of General Fund budgeted amounts are funded partially or entirely from special revenues available by state or federal law for particular offices.

The Criminal District Attorney's Office has SB22, Pre-Trial Diversion, Apportionment & Hot Check Fee Funds which can be used for the official statutory purposes of the office.

At the discretion of the Tax Assessor/Collector the interest off of Vehicle Inventory Taxes may be used to supplement employee's salaries who administer the pre-payment of vehicle inventory taxes.

The County Clerk and District Clerk have budgeted funds from Special Revenues to supplement the work done by their clerks. These budgets have been approved by Commissioners Court and the Clerks of each office will proceed with these supplements at their discretion.

Any persons during the year filling vacated positions denoted with clothing allowances, or holiday pay shall automatically receive the same allowances unless otherwise changed by the Commissioners Court or the department head.

Some of the hourly rates and salaries reflect amounts which are below the budgeted amounts. As a part of this salary schedule approval, it is understood that an elected official or department head can raise the salary levels to the total maximum budgeted amount for that line item. This can be done by submitting a request to Commissioners Court to record the increase in the minutes of the Court. No Salaries from the General Fund, Courthouse Security Fund, Road & Bridge Fund and/or FM & Lateral Fund can exceed the original budgeted salary or wages line unless the Commissioners Court grants such increase by budget amendment. As described earlier, some special revenue funds are available for additional salaries and wages in accordance with State and Federal statutes.

There are 26 pay periods in a year. Road & Bridge full-time employees are budgeted for 2090 hours and all other full-time employees are budgeted for 2088 hours. Sheriff Deputies and Jailers are under the 207K rule and have potential of being paid for hours worked up to 2,236 hours. Part-time employees are budgeted for 1,560 hours. Salaried employee's bi-weekly pay is determined by the yearly gross divided by 26 pay periods.
