Good morning Jennifer,

I understand that Shelby County and Panola County Road and Bridge departments are in agreement on the purchase of our Pug Mill. The Pug Mill includes the conveyor and ramp as well as the pug mill system. The agreed purchase price is \$100,000.00 The purchase does not require a bid process for the equipment pursuant to LGC 263.152 as follows:

Sec. 263.152. DISPOSITION. (a) The commissioners court of a county may:

(1) periodically sell the county's surplus or salvage property by competitive bid or auction, except that competitive bidding or an auction is not necessary if the purchaser is another county or a political subdivision within the county that is selling the surplus or salvage property;

We understand that this purchase will be placed on your Commissioner Court agenda to possibly be approved. If and when that happens, please remit the agreed price of \$100,000.00 to Ann Blackwell, Shelby County Treasurer at the address below.

Thank you and please let me know if you have any questions.
