Re: Request for Activation of OnStar Internet Services – Panola County Sheriff's Office

Dear Judge and Commissioners:

I respectfully submit this letter to request approval for the activation of OnStar internet services on a Panola County Sheriff's Office 2022 Chevrolet pickup truck assigned to License and Weight Deputy Chris Adams.

Deputy Adams' duties require regular access to the Texas Department of Public Safety citation and reporting systems while operating in the field. Reliable mobile internet connectivity is essential to allow him to issue citations electronically, verify driver and vehicle information, and complete required documentation efficiently and accurately while performing his official law enforcement responsibilities.

Your consideration and approval of this request is greatly appreciated. Please feel free to contact me should you require any additional information or documentation regarding this request.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "Adam Jones", with a long horizontal flourish extending to the right.

Adam Jones  
Captain  
Panola County Sheriff's Office
