Re: Notice of Termination of Interlocal Agreement for the Management and Operation of Solid Waste Transfer Station

Dear Judge McLane:

Pursuant to Section III(G) of the Interlocal Agreement for the Management and Operation of Solid Waste Transfer Station dated September 28, 2009 between the City of Carthage, Texas and Panola County, Texas, please accept this letter as the City of Carthage's notice of intent to terminate the Agreement and all Amendments effective ninety (90) days from your receipt of this letter.

The City values its longstanding relationship with the County and remains committed to working together toward a mutually beneficial long-term solution.

The City is willing to continue discussions and negotiations during the notice period in an effort to reach a new agreement that addresses the issues facing the transfer station while continuing to serve the citizens of both the City and Panola County.

Unless a new agreement is reached and approved by the parties, the current Interlocal Agreement and all Amendments shall terminate ninety (90) days after receipt of this notice in accordance with its terms.

Please feel free to contact me for further discussion of this matter.
