The attached quote is within the parameters of the vendor's awarded contract pricing.

To avoid duplicate verifications and expedite processing, please submit the following:

1. Your Purchase Order which identifies the Awarded Vendor and TIPS Contract number
2. Vendor's TIPS quote with Contract number referenced
3. Copy of this verification email (forward PO & quote on this email thread ***or*** send copy of the email)
4. Send all required documents to **tipspo@tips-usa.com**.

Upon receipt and processing of your PO and quote, an official compliance letter will be emailed to you.

Please note that failure to report TIPS purchases could result in no record of the transaction within TIPS system. This could prevent TIPS Members from achieving a compliant purchase under Texas law and could cause a lack of sufficient documentation in the event of a Member Audit. In the event that additional vendor/contract information is required, please visit www.tips-usa.com and do not hesitate to contact our office.

*Did you know? Unless your entity requires that the quote be verified first, it is not necessary to send to TIPS for verification **PRIOR** to sending the PO and quote to tipspo@tips-usa.com for processing. As part of our standard PO process, we verify that quotes comply with our requirements.*

While TIPS does all that it can to comply with and exceed the bidding requirements for most public entities, because the laws applicable vary by entity type, location, spend amount, purchase type, and the purchaser's local policies, TIPS cannot legally advise any Member/End-User when a TIPS purchase is appropriate. It is always up to the Member/End-User to review our processes and determine if we meet their needs for any particular purchase or entity.

The attached quote cannot be verified for the following reason(s):

- Vendor will need to provide catalog pricing for the "Warren F-10 7/8 Yard Bed" in order for us to verify that their proposed minimum discount was applied.

If you wish to process your PO through TIPS, we encourage you to reach out to the vendor and ask them to provide the requested information.
